fed watered down PC versions of the classic myths In reality mythology is more screwed up than a schizophrenic shaman doing hits of unidentified wait it all makes sense now In Zeus Grants Stupid Wishes Cory O'Brien creator of Myths RETOLD sets the stories straight These are rude crude totally sacred texts told the way they were meant to be told loudly and with lots of four letter words Did you know Cronus liked to eat babies Narcissus probably should have just learned to masturbate Odin got construction discounts with bestiality Isis had bad taste in jewelry Ganesh was the very definition of an unplanned pregnancy And Abraham was totally cool about stabbing his kid in the face Still skeptical Here are a few more gems to consider Zeus once stuffed an unborn fetus inside his thigh to save its life after he exploded its mother by being too good in bed The entire Egyptian universe was saved because Sekhmet just got too hammered to keep murdering everyone The Hindu universe is run by a married couple who only stop murdering in order to throw sweet dance parties on the corpses of their enemies The Norse goddess Freyja once consented to a four dwarf gangbang in exchange for one shiny necklace And there's more dysfunctional goodness where that came from *Echoes of Olympus: Modern Greek Mythology Retellings for Young Adults* Nicholas Creighton, 2024-06-06 Dive into the world of Echoes of Olympus Modern Greek Mythology Retellings for Young Adults where ancient myths meet the modern era Perfect for young adults this captivating collection reimagines the legendary tales of Greek gods and heroes presenting them in a fresh contemporary setting From Zeus to Athena each story blends timeless mythology with today's challenges and adventures Discover how these iconic figures navigate the modern world facing new obstacles while staying true to their mythological roots Whether you're a mythology enthusiast or new to these tales Echoes of Olympus offers a thrilling journey through the past and present Why You'll Love This Book Modern Greek Mythology Experience classic Greek myths retold in a contemporary setting making them relatable and exciting for today's readers Diverse Characters Enjoy a wide range of characters each bringing a unique perspective to the ancient tales Engaging Stories Each retelling is packed with adventure drama and the timeless lessons of Greek mythology Perfect for Young Adults Written with young adults in mind these stories are both entertaining and thought provoking Beautifully Illustrated Stunning illustrations bring each myth to life enhancing the reading experience Inside This Book Reimagined Myths Explore a variety of Greek myths each retold with a modern twist Legendary Characters Follow the adventures of gods and heroes like Zeus Athena and Hercules as they navigate the contemporary world Themes of Growth and Change Each story explores themes relevant to young adults such as identity power love and transformation Action Packed Narratives Enjoy thrilling adventures and dramatic encounters that keep you turning the pages **Greek Myths** Charlotte Higgins, 2022-01-11 A brilliantly original landmark retelling of Greek myths recounted as if they were actual scenes being woven into textiles by the women who feature prominently in them including Athena Helen Circe and Penelope Greek myths were full of powerful witches unpredictable gods and sword wielding slayers They were also extreme about families who turn murderously on each other impossible tasks set by cruel kings love that goes wrong wars and journeys and terrible loss

There was magic there was shape shifting there were monsters there were descents to the land of the dead Humans and immortals inhabited the same world which was sometimes perilous sometimes exciting The stories were obviously fantastical All the same brothers really do war with each other People tell the truth but aren t believed Wars destroy the innocent Lovers are parted Parents endure the grief of losing children Women suffer violence at the hands of men The cleverest of people can be blind to what is really going on The law of the land can contradict what you know to be just Mysterious diseases devastate cities Floods and fire tear lives apart For the Greeks the word muthos simply meant a traditional tale In the twenty first century we have long left behind the political and religious framework in which these stories first circulated but their power endures Greek myths remain true for us because they excavate the very extremes of human experience sudden inexplicable catastrophe radical reversals of fortune and seemingly arbitrary events that transform lives They deal in short in the hard basic facts of the human condition from the Introduction
