Literature for Young Adults Joan L. Knickerbocker, 2017-03-15 Young adults are actively looking for anything that connects them with the changes happening in their lives and the books discussed throughout Literature for Young Adults have the potential to make that connection and motivate them to read It explores a great variety of works genres and formats but it places special emphasis on contemporary works whose nontraditional themes protagonists and literary conventions make them well suited to young adult readers It also looks at the ways in which contemporary readers access and share the works they re reading and it shows teachers ways to incorporate nontraditional ways of accessing and sharing books throughout their literature programs In addition to traditional genre chapters Literature for Young Adults includes chapters on literary nonfiction poetry short stories and drama cover art picture books illustrated literature and graphic novels and film It recognizes that while films can be used to complement print literature they are also a literacy format in their own right and one that young adults are particularly familiar and comfortable with The book s discussion of literary language including traditional elements as well as metafictional terms enables readers to share in a literary conversation with their students and others when communicating about books It will help readers teach young adults the language they need to articulate their responses to the books they are reading

Gilgamesh Emily H. Wilson, 2024-08-06 The second book in the enthralling and lyrical Sumerians trilogy retelling the Epic of Gilgamesh perfect for fans of Madeline Miller Lucy Holland and Jennifer Saint Now is the time for the gods of war Gilgamesh soon to be crowned King of Uruk travels north to find his homelands in flames and his family on the run A blood red moon brings warnings of a new kind of war and in the far north the enemies of Sumer are massing Inanna and Ninshubar sail south to take their revenge upon Enki the king of the water gods Armed with the master me and struggling to understand its true nature Inanna will face impossible demons in her quest to fully comprehend the power she has inherited Meanwhile Ereshkigal queen of the underworld has a mysterious visitor This dark stranger brings with him the threat of dangers far more terrible than Enki or even Sumer s warlike neighbours Because a long time ago in a realm faraway a little girl was taken from her family Now a vengeance long prophesied is about to unfold As the forces of chaos rise across the riverlands Gilgamesh must battle against overwhelming odds to save the city he loves and the Anunnaki will soon discover that no one can escape the sins of the past Not even the gods

Women Re-Creating Classics Emily Hauser, Helena Taylor, 2025-06-12 In the last few years there has been a major and unmissable surge in women s retellings and re creations of ancient myths and texts that has put women s re creations of Classics centre stage Drawing together an interdisciplinary range of creative and scholarly voices this volume asks why classical creative retellings by women are so popular now and considers what creativity can do to foster new ways of thinking and writing about Classics thus blurring the boundary between the creative

and the critical Contributors engage with debates on how to make Classics more accessible through the medium of creative works so that it is not just a discipline for the select few This second volume in a two volume set brings together original creative work by some of the many women writers who are pushing forward changes in the landscape of re creating Classics from Madeline Miller to Jennifer Saint Emily Hauser Caroline Lawrence Roz Kaveney Nikita Gill Fiona Benson Anne Carson and many more These are set alongside discussions and interviews between writers and academics roundtable conversations among poets and critics and reflections on creative and inclusive pedagogy thus offering a cutting edge collaboration between practitioners and researchers and underlining the centrality of women s re creations of Classics to the contemporary shaping of the field
