Miranda Blue Calling:

Miranda Blue Calling Michelle Curry Wright, 2004-04 With nothing less than her heart on the line will cautious Miranda take a risk and answer love's call She has just started a tele companion service for seniors and is hooking up everyone but herself **Chick Lit and Postfeminism** Stephanie Harzewski, 2011-02-09 Originally a euphemism for Princeton University's Female Literary Tradition course in the 1980s chick lit mutated from a movement in American women's avant garde fiction in the 1990s to become by the turn of the century a humorous subset of women's literature journalism and advice manuals Stephanie Harzewski examines such best sellers as Bridget Jones's Diary The Devil Wears Prada and Sex and the City as urban appropriations of and departures from the narrative traditions of the novel of manners the popular romance and the bildungsroman Further Harzewski uses chick lit as a lens through which to view gender relations in U S and British society in the 1990s Chick Lit and Postfeminism is the first sustained historicization of this major pop cultural phenomenon and Harzewski successfully demonstrates how chick lit and the critical study of it yield social observations on upheavals in Anglo American marriage and education patterns heterosexual rituals feminism and postmodern values *Songs Without Words* Ann Packer, 2007-09-04 Ann Packer's debut novel The Dive from Clausen's Pier was a nationwide bestseller that established her as one of our most gifted chroniclers of the interior lives of women Now in her long awaited second novel she takes us on a journey into a lifelong friendship pushed to the breaking point Liz and Sarabeth were childhood neighbors in the suburbs of northern California brought as close as sisters by the suicide of Sarabeth's mother when the girls were just sixteen In the decades that followed through Liz's marriage and the birth of her children through Sarabeth's attempts to make a happy life for herself despite the shadow cast by her mother's act their relationship remained a source of continuity and strength But when Liz's adolescent daughter enters dangerous waters that threaten to engulf the family the fault lines in the women's friendship are revealed and both Liz and Sarabeth are forced to reexamine their most deeply held beliefs about their connection *Songs Without Words* is about the sometimes confining roles we take on in our closest relationships about the familial myths that shape us both as children and as parents and about the limits and the power of the friendships we create when we are young **Belgravia** ,1892 **Over the Top** Alison Hughes, 2021-08-03 From an award winning author comes a funny and honest middle grade novel following Diva Cleopatra as she tries to adapt to her new home and school while coming face to face with the school's mean girls Eleven year old Diva is horrified but not surprised that her mother's new dream home is a bright pink castle like house But the pink palace is only the beginning of a series of new humiliations While acting as a glitzy mermaid for her Mom's party planning business Diva is spotted by some classmates who won't let her live it down When she works up the courage to audition for her new school's play she's cast in a surprising and ridiculous role But it's when her family throws her a huge surprise birthday party that things really lurch toward disaster How can Diva stay true to her introverted under the radar self in an in your face over the top world *Miranda's Album* Helen
