M. Simataa, 2012-05-10 This special and remarkable book *The Seventh day Sabbath and its Redemptive Function in Gods Everlasting Covenant of Grace* by A M Simataa addresses topical issues in the Bible quite pertinent to the 21st Century Christianity The author takes a defensive approach of the gospel and brings to the surface some of the least understood teachings of the Bible Although written from a Seventh day Adventists perspective people of differing religious background and persuasions will find this book very instructive If you have been looking for a book that pains takingly discusses the Gospel seriously and biblically this is the book you have been searching for Some of the topics featured in the book include The Truth about the Bible Sabbath The Judgment of the Living Heavenly New Jerusalem The Marriage Supper of the Lamb and the Rapture The Remnant Church in the Parables Mr A M Simataa teaches at a High School in Windhoek Namibia He likes sharing the Gospel with others and spends some of his spare time witnessing to others The central role of the Seventh day Sabbath in the Redemption of our race is the least understood topic in the Bible today Most believers have even dismissed its relevance to todays Christianity However the truth is that the Sabbath is at the heart of Christs work to save human beings in accordance with Gods plan The Sabbath is so central to the work of atonement that Christ is referred to in the Bible as the Lord of the Sabbath The issue of the Sabbath will become pertinent as we near the End and every human being will be required to take a stand in the conflict involving the Sabbath question This book will plant your feet on a solid foundation      **Catalog** Sears, Roebuck and Company, 1911      **Live Large!** Cheri K.
