Mirror Mirror:

Mirror Mirror Gregory Maguire, 2009 A retelling of Snow White set in Renaissance Italy draws a link between the original fairy tale and the Borgia family's infamous practice of poisoning its enemies Mirror Mirror Jacob Eapen, 2024-08-28 MIRROR MIRROR Tell Me Who I Am 2nd Edition ePub version A trail in the woods A dog gone astray A chance meeting with a mysterious stranger And so begins James journey of self discovery Following his dog into the forest James crosses paths literally with Albert a vaguely familiar stranger who seems to understand James inner struggle James and Albert agree to meet for a walk the following day and the next day and the day after Slowly a new trail emerges into view a previously unseen path that leads to renewed happiness personal satisfaction and well being It's a trail you'll discover that invites us all This book is about each person's quest to create relevance in everyday living It teaches you how to use your thoughts emotions and feelings to interpret and create your own experiences so that your life reflects what is meaningful to you Editorial review by The Book Review Directory <https://bookreviewdirectory.com> 2024-08-26 mirror mirror tell me who i am editorial review Title Mirror Mirror Tell Me Who I Am In Mirror Mirror Tell Me Who I Am Jacob Eapen writes a self help book in the form of a story We meet James a dad and husband struggling with finding satisfaction in his career as he recovers from a debilitating disease While walking his dog James crosses paths with an older man Albert and they strike up a friendship in which Albert shares advice to help James find more fulfillment and happiness At just over 26 000 words Mirror Mirror Tell Me Who I Am is a short easy read that most people could manage to finish in a few days and return to on an as needed basis Eapen's choice to render a self help book in a story format is a novel concept and engages readers who may otherwise find self help books too clinical We relate to each other through stories so the author's decision to share advice about living one's best life in this way is encouraging and smart The plot is straightforward James is unhappy especially at work Many people can relate to feeling unfulfilled at their jobs and may grow frustrated that they don't feel heard when they go to their boss with concerns This is James problem Although he has made a remarkable recovery from an illness that paralyzed him that he still isn't happy shows how we are as people We often think we will be content once we accomplish the next big goal on our checklist but anyone who has lived long enough knows this isn't true The fact that James and Albert develop a friendship that occurs while walking their dogs and talking about life is a solid bedrock upon which to build the narrative Albert has wise counsel for James but at times Albert feels like more of an instrument to relay information rather than a fully formed character Meanwhile James is rendered as the listener who doesn't have much to contribute James has the potential to shine but this would require a longer book Most of the plot revolves around Albert and James's conversations There are fleeting moments with James wife Anne and he has two teenage sons but they're never given names or dialogue James is a husband and a father on top of being a man who doesn't like his job and fleshing out these other interactions would enrich his character and the lessons the book wishes to teach When Albert and James have their last interaction James summarizes how

he used Albert's advice when speaking with his boss and how it worked but the actual scene in which this interaction occurs would again bring James's story to life more. It's understandable that Eapen's first goal for this book to be of the self-help variety but by choosing to create a fiction story and weave the advice into a didactic setting the author has room to expand on James' character and story and thus on the reader's experience. Overall however Eapen accomplishes his intention of sharing advice about pursuing happiness in life and how we are all the crafters of our reality based on our attitude. It is certainly true that how we approach a situation has a big impact on how it may play out. *Mirror Mirror Tell Me Who I Am* is a creative take on the self-help variety because it shares its information in story form. For readers who are seeking advice on enriching their lives and don't have a lot of time to devote to reading *Mirror Mirror Tell Me Who I Am* is a solid choice. Jacob Eapen's book is a good recommendation to those who enjoyed *The Secret* but are seeking more grounding feedback.

Mirror Mirror Edgar J. Hyde, 1998-11 *Mirror Mirror* Gregory Maguire, 2009 A unique retelling of the classic fairytale SNOW WHITE by the internationally bestselling author of WICKED. The year is 1502 and seven-year-old Bianca de Nevada lives perched high above the rolling hills and valleys of Tuscany and Umbria at Montefiore, the farm of her beloved father Don Vicente. But one day a noble entourage makes its way up the winding slopes to the farm and the world comes to Montefiore. In the presence of Cesare Borgia and his sister, the lovely and vain Lucrezia, decadent children of a wicked pope, no one can claim innocence for very long. When Borgia sends Don Vicente on a years-long quest, he leaves Bianca under the care, so to speak, of Lucrezia. She plots a dire fate for the young girl in the woods below the farm, but in the dark forest, salvation can be found as well. A lyrical work of stunning creative vision, *MIRROR MIRROR* gives fresh life to the classic story of Snow White and has a truth and beauty all its own. *Mirror Mirror*, 19?? **The Show That Smells (Little House on the Bowery)**

Derek McCormack, 2009-07-01 Derek McCormack's most compelling work yet is his second selection in Dennis Cooper's groundbreaking *Little House on the Bowery* fiction series. Derek McCormack is a whiz at fashion and other often freaky stuff that the popular imagination latches onto. Toronto Star McCormack begins his quirky, Tod Browning-inspired tale with a disclaimer: This book is a work of fiction. It is a parody. It is a phantasmagoria. Elsa Schiaparelli was never a vampire. Shocking by Schiaparelli never contained blood. The work of Schiaparelli, a 1930s Italian fashion designer, was influenced by Surrealist Salvador Dalí and the same spirit permeates *The Show that Smells*, which is set in a maze of mirrors. Schiaparelli dresses introduced playfulness and a sense of anything goes to the fashion industry. She branched into perfume and became designer to a number of film stars. In addition to Schiaparelli, this tale is about Jimmie Rodgers, a country music singer dying of tuberculosis, and his wife Carrie, who tries to save him by selling her soul to a devil who designs haute couture clothing. Starring a host of Hollywood's brightest stars, including Schiaparelli's real-life rival Coco Chanel, character actor Lon Chaney, Joan Crawford, and the Carter Family as red-state vampire hunters, no less, *The Show that Smells* is a thrilling tale of hillbillies, high fashion, and horror. An invitation to adults to make believe, it is sure to please fashion connoisseurs, fans of classic and

cult cinema and freaks everywhere In McCormack s world the power of death can be bottled and sold and it certainly smells
