

# Mishima Biografia

**Damian Flanagan**

## **Mishima Biografia:**

**Mishima a Biography** John Nathan,1987      **The Life and Death of Yukio Mishima** Henry Scott Stokes,2000-08-08  
Novelist playwright film actor martial artist and political commentator Yukio Mishima 1925 1970 was arguably the most famous person in Japan at the time of his death Henry Scott Stokes one of Mishima s closest friends was the only non Japanese allowed to attend the trial of the men involved in Mishima s spectacular suicide In this insightful and empathetic look at the writer Stokes guides the reader through the milestones of Mishima s meteoric and eclectic career and delves into the artist s major works and themes This biography skillfully and compassionately illuminates the achievements and disquieting ideas of a brilliant and deeply troubled man an artist of whom Nobel Laureate Yasunari Kawabata had said A writer of Mishima s caliber comes along only once every two or three hundred years      **Persona** Naoki Inose,2013-01-01  
Traces the life of the Japanese author who went from sickly youth to dedicated student of the martial arts looking at his family life the wartime years and his career as a writer who advocated for traditional values      **Yukio Mishima** Damian Flanagan,2014-08-15  
The most internationally acclaimed Japanese author of the twentieth century Yukio Mishima 1925 70 was a prime candidate for the Nobel Prize But the prolific author shocked the world in 1970 when he attempted a coup d tat that ended in his suicide by ritual disembowelment In this radically new analysis of Mishima s extraordinary life Damian Flanagan deviates from the stereotypical depiction of a right wing nationalist and aesthete presenting the author instead as a man in thrall to the modern world while also plagued by hidden neuroses and childhood trauma that pushed him toward his explosive final act Flanagan argues that Mishima was a man obsessed with the concepts of time and emperor and reveals how these were at the heart of his literature and life Untangling the distortions in the writer s memoirs Flanagan traces the evolution of Mishima s attempts to master and transform his sexuality and artistic persona While often perceived as a solitary protest figure Mishima Flanagan shows was very much in tune with postwar culture he took up bodybuilding and became a model and actor in the 1950s adopted the themes of contemporary political scandals in his work courted English translators and became influenced by the student protests and hippie subculture of the late 1960s A groundbreaking reevaluation of the author this succinct biography paints a revealing portrait of Mishima s life and work      **Yukio Mishima** Peter Wolfe,1989  
*The Life and Death of Yukio Mishima* ,1975      *Mishima, Aesthetic Terrorist* Andrew Rankin,2018-09-30  
Half a century after his shocking samurai style suicide Yukio Mishima 1925 1970 remains a deeply controversial figure Though his writings and life story continue to fascinate readers around the world Mishima has often been scorned by scholars who view him as a frivolous figure whose work expresses little more than his own morbid personality In *Mishima Aesthetic Terrorist* Andrew Rankin sets out to challenge this perception by demonstrating the intelligence and seriousness of Mishima s work and thought Each chapter of the book examines one of the central ideas that Mishima develops in his writings life as art beauty as evil culture as myth eroticism as transgression the artist as tragic hero narcissism as the death drive Along with fresh

readings of major works of fiction such as *The Temple of the Golden Pavilion* and *Patriotism* the book introduces less familiar works in different genres Special prominence is given to Mishima's essays which contain some of his most brilliant writing Mishima is concerned with such problems as the loss of certainties and absolute values that characterizes modernity and the decline of strong identities in a world of increasing uniformity and globalization In his cultural criticism Mishima makes an impassioned defense of free speech and he rails against all forms of authoritarianism and censorship Rankin reads Mishima's artistic project up to and including his spectacular death as a single sustained lyric an aggressive piece of performance art unfolding in multiple media For all his rebellious energies Mishima's work is suffused with a sense of ending the end of art the end of eroticism the end of culture the end of the world and it is governed by a decadent aestheticism which holds that beautiful things radiate their most intense beauty on the cusp of their destruction Erudite and authoritative yet written in clear accessible prose *Mishima Aesthetic Terrorist* is essential reading for all those who seek a deeper understanding of this radical and provocative figure

**Yukio Mishima** , Features a collection of Internet resources about the Japanese author Yukio Mishima 1925-1970 compiled by Catharton.com Provides access to listservs online chat rooms and message boards focusing on the author as well as biographical sketches of him

*Sun and Steel* Yukio Mishima, 1990-11 Part autobiography and part reflections on his personal search for identity *Sun and Steel* provides a fascinating insight into the complex mind of this spectacularly gifted author In it Mishima traces his tortuous path from a sensitive introverted childhood to creative maturity as acclaimed novelist playwright and self-proclaimed conscience of postwar Japan A powerful work of art in itself *Sun and Steel* also provides a key to understanding his other works

**Mishima** Marguerite Yourcenar, Alberto Manguel, 2001-09 On November 25, 1970 Japan's most renowned postwar novelist Yukio Mishima stunned the world by committing ritual suicide Here Marguerite Yourcenar a brilliant reader of Mishima and a scholar with an eye for the cultural roles of fiction unravels the author's life and politics his affection for Western culture his family and his homosexuality his brilliant writings and his carefully premeditated death

**A Study Guide for Yukio Mishima's *The Sound of Waves*** Gale, Cengage Learning, 2015-03-13 A Study Guide for Yukio Mishima's *The Sound of Waves* excerpted from Gale's acclaimed *Novels for Students* This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust *Novels for Students* for all of your research needs

**Mishima's Sword** Christopher Ross, 2006 The stunning new book from Christopher Ross Sunday Times top 10 bestselling author of *Tunnel Visions* On 25th November 1970 the Japanese writer Yukio Mishima in one last piece of theatre of a peculiar life plunged a knife into his tightly muscled belly and stretched out his neck so that his friend Morita might cut off his head with a Samurai sword His death an act in the frontline of the spirit has been interpreted as many things a desire for heroism an attempt at a form of beauty a protest against an emasculated post-war Japan the ultimate demonstration of sincerity the performance of a madman So who exactly was Mishima why did he offer himself up

And what happened to that sword Christopher Ross's own life overlaps with Mishima's they were both weedy and picked on at school both harbour a fascination with martial arts and the relationship between the body and the mind The Madness and Perversion of Yukio Mishima Jerry Piven, 2004-04-30 This psychological study focuses on one of Japan's most prolific writers Yukio Mishima whose fiction was suffused with images of sadomasochism homosexual rape hatred of women vengeance rage and humiliation Mishima's violent homoerotic imagery and fascistic politics have aroused a range of reactions from hostile criticism to idealizing fantasies and even militant devotion Still he has been called an extraordinary talent and compared to Hemingway Proust and Joyce Here we venture deep into the mind and personal history of Mishima who was also an eccentric exhibitionist posed nude for surreal photographs acted in gangster films and played the part of a Hollywood celebrity Amid his flamboyance Mishima's sexual perversity and right wing militant politics have also aroused trepidation in many readers and critics especially in light of his ritual suicide by disembowelment Piven gives us a psychological understanding of the life fantasies and obsessions of Mishima as all followed early trauma severe conflict narcissistic injury and an ensuing fixation on death We see for example how Mishima's psychotic and authoritarian grandmother suffocated him emotionally by sequestering him from his mother and the outside world for the first 12 years of his life Unlike other works that explain and amplify his philosophy The Madness and Perversion of Yukio Mishima deconstructs his philosophy removing his masks pretenses and disguises Libre Acceso Susan Antebi, Beth E. Jørgensen, 2015-12-02 Libre Acceso stages an innovative encounter between disciplines that have remained quite separate Latin American literary film and cultural studies and disability studies It offers a much needed framework to engage the representation construction embodiment and contestation of human differences and provides tools for the urgent resignification of a robust and diverse Latin American literary and filmic tradition The contributors discuss such topics as impairment trauma illness and the body performance queer theory subaltern studies and human rights while analyzing literature and film from Argentina Brazil Chile Colombia Cuba Mexico and Peru They explore these issues through the work of canonical figures Jorge Luis Borges Gabriel García Márquez João Guimarães Rosa and others as well as less well known figures including Mario Bellatin and Miriam Alves A Philosophy of Autobiography Aakash Singh Rathore, 2018-10-09 This book offers intimate readings of a diverse range of global autobiographical literature with an emphasis on the representation of the physical body The twelve texts discussed here include philosophical autobiography Nietzsche autobiographies of self experimentation Gandhi Mishima Warhol literary autobiography Hemingway Das as well as other genres of autobiography including the graphic novel Spiegelman Satrapi as also documentations of tragedy and injustice and subsequent spiritual overcoming Ambedkar Pawar Angelou Wiesel In exploring different literary forms and orientations of the autobiographies the work remains constantly attuned to the physical body a focus generally absent from literary criticism and philosophy or study of leading historical personages with the exception of patches within phenomenological philosophy and feminism The book

delves into how the authors treated here deal with the flesh through their autobiographical writing and in what way they embody the essential relationship between flesh spirit and word It analyses some seminal texts such as Ecce Homo The Story of My Experiments with Truth Waiting for a Visa I Know Why the Caged Bird Sings A Moveable Feast Night Baluta My Story Sun and Steel The Philosophy of Andy Warhol MAUS and Persepolis Lucid bold and authoritative this book will be of great interest to scholars and researchers of philosophy literature gender studies political philosophy media and popular culture social exclusion and race and discrimination studies Mishima John Nathan,2020 Biography ,2000 三島 由紀夫 自伝 1925-1970,2003 This is the personal testament of Japan s greatest novelist written shortly before his public suicide in 1970 Through Mishima s finely wrought and emphatic prose the mind and motivation behind his agonized search for personal identity is revealed In this fascinating document one of Japan s best known and controversial writers created what might be termed a new literary form It is new because it combines elements of many existing types of writing yet in the end fits into none of them At one level it may be read as an account of how a puny bookish boy discovered the importance Mishima Jennifer Lesieur,2011-06-06T00:00:00+02:00 Ignorant moi m me quoi rime cet tat effrayant o je suis en ferm tout ce que je peux en dire c est que je m agite avec l insouciance d une marionnette manipul e par les dieux Kimitake Hiraoka dit Yukio Mishima 1925 1970 a connu la c l brit et a fait scandale d s la publication l ge de 24 ans de son premier r cit autobiographique Confession d un masque Auteur d une uvre aussi abondante que vari e il a publi une quarantaine de romans des essais des pi ces de th tre des r cits de voyages des nouvelles crivain g nial dangereux id ologue r volt narcissique inadapt hant par l expiation Le visage de Mishima est recouvert de plusieurs masques que Jennifer Lesieur essaie d enlever un un Aujourd hui encore pour nombre de Japonais il reste une personnalit sulfureuse Lui qui disait vouloir faire de sa vie un po me trouvant l existence humaine limit e et avouant d sirer vivre ternellement s est donn la mort au sommet de sa gloire le 25 novembre 1970 en pratiquant un seppuku par ventration suivi d une d capitation *Living Carelessly in Tokyo and Elsewhere* John Nathan,2008-03-18 John Nathan arrived in Tokyo in 1961 fresh out of Harvard College bringing with him no practical experience no more than two connections no prospects and little else to recommend him but stoic unflappable pluck Japan at that time was still in the shadow of the Occupation and only a handful of foreigners were studying the country seriously Two years later Nathan became the first American to pass the entrance exams to the best school in Japan the University of Tokyo He went on to translate two of Japan s greatest contemporary writers Yukio Mishima and Nobel laureate Kenzabur e and direct several series of films in and about Japan in collaboration with world famous directors and businesses earn an advanced degree at Harvard and a professorship at Princeton and become a Hollywood screenwriter Nathan was given unprecedented access to the inner sanctum of Sony for his book Sony The Private Life and he explored the damaged psyche of postbubble Japan in his acclaimed Japan Unbound During his decades of passionate engagement with Japan Nathan became close friends with many of the most gifted people in the land politicians and business leaders as well as painters

novelists directors rock stars and movie stars and was privileged to travel in their very special company inside domains of Japanese life not normally open to foreigners then or now In his unique chronicle of that journey *Living Carelessly in Tokyo and Elsewhere* he details the adventures sublime profane and uproarious many of a distinctly Japanese nature that characterized his career which was singular in its success as much as in its chaos Along the way he brings the most exciting era in recent Japanese history vividly into focus with wry humor penetrating insight and pathos John Nathan is not the only foreigner to have developed a rich full deeply nuanced understanding of Japan But his experiences are certainly extraordinary and in fact irreproducible and his memoir is the most personally satisfying story yet told of Japan and elsewhere From Nathan s lifetime of wisdom compassion and brazen resolve we learn the value of traveling within our own mental and emotional borders as well as without the many places we call home
