## Mining The Sky:

Mining the Sky John S. Lewis,1997-09-23 While we worry over the depletion of the earth s natural resources the pollution of our planet and the challenges presented by the earth s growing population billions of dollars worth of metals fuels and life sustaining substances await us in nearby space In this visionary book noted planetary scientist John S Lewis explains how we can mine these precious metals from the asteroids comets and planets in our own solar system for use in space construction projects And this is just one of the possibilities Join John S Lewis as he contemplates milking the moons of Mars for water and hollowing out asteroids for space bound homesteaders all while demonstrating the economic and technical feasibility of plans that were once considered pure fiction

**Mining The Sky** John Lewis,1996-10 Sometime in the future the author predicts that either humans and or robotic vehicles will exploit mineral resources outside the planet Earth This is an apocalyptic vision for anyone with an interest in the future of our species
