

**HERE'S WHAT THE  
PROFESSIONALS SAY:**

"Many leaders in industry *think* they are effective speakers, but aren't. Others recognize their deficiencies, and think they can't do anything about it. If they'd read this book they'd know differently—and they'd be a lot better off."

—RONNIE E. DUNN  
*President, Reed Tubular  
Products Company, a Division  
of Baker International.*

**"AN OLD PHILOSOPHY:**

"Either write things worth reading, or do things worth writing." John Wolfe has done both."

—DAVE YOHIO  
*Dave Yohio Associates, top  
speaker on professional circuit.*

"I've taught speaking for 21 years and had I known the miracle platform power in this book, I would have gotten twice the results with my students with one-half the effort."

—ALAN GIMBERG  
*Professional Speaker/Sales  
Motivator.*

*No Miracles Needed* Mark Z. Jacobson, 2023-02-02 The world needs to turn away from fossil fuels and use clean renewable sources of energy as soon as we can Failure to do so will cause catastrophic climate damage sooner than you might think leading to loss of biodiversity and economic and political instability But all is not lost We still have time to save the planet without resorting to miracle technologies We need to wave goodbye to outdated technologies such as natural gas and carbon capture and repurpose the technologies that we already have at our disposal We can use existing technologies to harness store and transmit energy from wind water and solar sources to ensure reliable electricity heat supplies and energy security Find out what you can do to improve the health climate and economic state of our planet Together we can solve the climate crisis eliminate air pollution and safely secure energy supplies for everyone *Marvels and Miracles* Maria Woodworth-Etter, 2013-01-03 *Marvels and Miracles* is one of the last works written by Maria Woodworth Etter in her long ministry as an evangelist in the Pentecostal movement This story recounts many events during her lifetime from holding tent revival meetings at her own expense to persecution and violent attacks from local townspeople in attempts to silence her ministry Contributors such as Stanley Frodsham F F Bosworth and many others recount the miracles and healings they received through Jesus Christ With testimonies of healing from doctors sinners and saints there is an overwhelming cloud of witnesses that these miraculous events did in fact take place This proving what she taught so adamantly that God is the same yesterday today and forever and His power to heal has not diminished It is the same as on the day of Pentecost in 1924 and today The divinity of Christ, a reply to a Unitarian attack [by A. Webster, in a review in The Ploughshare]. Alexander Stewart (LL.D., of Aberdeen.), 1887 **Miracles and Wonders in the Middle Ages and Early Modern Period** Albrecht Classen, 2025-10-20 Despite the assumption that we live today in a rather rationalist and mechanized world there remain many aspects that neither medicine nor physics can fully explain The Catholic Church continues to pronounce individuals as saints because scientifically confirmed miracles are associated with them If we want to gain a solid understanding of the pre modern history of mentality emotions and everyday culture it proves to be highly revealing to examine what miracles and wonders had meant at that time both in the theological and medical field in the visual arts and literature As a matter of fact people both in the East and in the West have consistently flocked to pilgrimage sites all over the world in the hope that a miracle might happen and solve issues for them The contributors to this volume based on a symposium at the University of Arizona May 2024 approach this critically important topic from many different perspectives taking us from the early Middle Ages to the early modern age examining hagiographical medical literary and alchemical texts discussing both miracles and wonders as relevant themes in the public discourses Both the passage through Inferno and Purgatorio as the crucial pathway toward Paradiso and the experience of women s miraculous conception are identified as deeply impactful for the pre modern world and this both in Christian and Muslim cultures Studying miracles and wonders through a kaleidoscope of different

materials and concepts makes it possible to gain a closer understanding of people's mindsets power structures and the debate between medicine and religion These topics were also greatly important in other cultures as several papers on Arabic medieval literature indicate Further pursuing this global issue we recognize easily that the separation line between the Middle Ages and the early modern period is only a modern construct and often not that helpful because the discourse on miracles and wonders has continued and influences even us today **American Book Publishing Record** ,1981
