Miscellaneous Studies Walter Pater, 1895 Miscellaneous Studies; A Series of Essays Pater Walter, 2016-06-21 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy

Miscellaneous Studies Walter Pater, 1904 **Miscellaneous Studies** Walter Pater, 2017-04-21 Some indeed may find in the very delicacy the curiosity with which such distinctions are drawn by Pascal's friends as well as by their foes only the impertinence the profanities of the theologian by profession all too intimate in laying down the law of the things he deals with the things which eye hath not seen pressing into the secrets of God's sublime commerce with men in which it may be He differs with every single human soul by forms of thought adapted from the poorest sort of men's dealings with each other from the trader or the attorney Pascal notes too the impious buffooneries of his opponents The good Fathers perhaps only meant them to promote geniality of temper in the debate But of such failures failures of taste of respect towards one's own point of view the world is ever unamiably aware and in the Letters there is much to move the self complacent smile of the worldling as Pascal describes his experiences while he went from one authority to another to find out what was really meant by the distinction between grace sufficient grace efficacious grace active grace victorious He heard for instance that all men have sufficient grace to do God's will but it is not always prochain not always at hand at the moment of temptation to do otherwise Miscellaneous Studies in Prose, 1911 MISC STUDIES A SERIES OF ESSAY Walter 1839-1894
