Laurie and Claire Kathleen Rowntree, 1996 When they were children at Foscote an enduring unbreakable bond was forged between Laurie Stone and Claire Haddingham Tested by dawning adulthood their bond mutually supportive and emotionally intense showed every sign of prevailing given a compromise or two For neither Claire not Laurie a talented TV performer and everyone's favourite party guest despite his hidden conflicts could contemplate life without the other But then Lydia arrived on the scene Strong and bold was Lydia's style of beauty hers was not the soft and gentle kind Danger filled the house Claire felt this most surely It emanated she considered from Lydia's air of malign purpose Claire had long observed in herself a capacity for ruthlessness where her love for Laurie was concerned The question became how far would she go Laurie and Claire is a passionate story of obsessional love in which the conflicting drives of sexuality and loyalty are played out against a background of growing menace Potent as a dream it delights and shocks as it conveys the reader into the minds and desires of Laurie and Claire and Lydia
