Gothic Romance Quick Start:

The Complete Idiot's Guide to Getting Your Romance Published Julie Beard,2000-01-01 Takes the budding romance novelist through the entire process of developing story ideas editing finding publishers and marketing

Georgette Heyer, History and Historical Fiction Samantha J. Rayner,Kim Wilkins,2021-02-25 The Nonesuch is the name of one of Georgette Heyer's most famous novels. It means a person or thing without equal and Georgette Heyer is certainly that. Her historical works inspire a fiercely loyal international readership and are championed by literary figures such as A S Byatt and Stephen Fry. Georgette Heyer History and Historical Fiction brings together an eclectic range of chapters from scholars all over the world to explore the contexts of Heyer's career. Divided into four parts gender, genre, sources and circulation and reception the volume draws on scholarship on Heyer and her contemporaries to show how her work sits in a chain of influence and why it remains pertinent to current conversations on books and publishing in the twenty-first century. Heyer's impact on science fiction is accounted for as are the milieu she was writing in the many subsequent works that owe Heyer's writing a debt and new methods for analysing these enduring books. From the gothic to data science there is something for everyone in this volume a celebration of Heyer's nonesuch status amongst historical novelists proving that she and her contemporary women writers deserve to be read and studied as more than just guilty pleasures. A

History of the Novel in Ants Carol Hart,2010-07 Why a history of the novel in ants? It makes perfect sense because ants live in an almost exclusively female society. And as Ian Watt noted in THE RISE OF THE NOVEL the majority of eighteenth-century novels were written by as well as read by women. The prevalence of women as readers and authors of fiction has continued to the present day. Within their all female society ants have conflicts, ants have ambitions and disappointments, ants have victories and defeats. Inhabiting an underground fortress of winding labyrinthine galleries ants can be gothic or postmodernist as the plot requires. For them the above ground world of predators and enemies has a painful realism when it is not violently picaresque. Imagine translating Jane Austen into ants your six legged heroine will have not one or two but hundreds of gossiping, posturing, romantically and socially ambitious sisters all striving to get precedence of one another. Or don't bother imagining it for yourself just read A HISTORY OF THE NOVEL IN ANTS. Carol Hart is a freelance science writer with a rusty PhD in English Literature. She reads a great many novels and she never steps on ants. This is her first novel.
