Million Truths:

A Million Truths Linda Jakobson, 2000-11-06 Income levels have risen sharply in China during the last two decades. Although just 2% of all Chinese have hot running water, virtually all households have televisions. This personal intelligent book addresses these sweeping changes and how they are forming modern China.

Peacebuilding Starts at Home Charles Hauss, 2025-11-10 Peace is not built in conference rooms or treaty negotiations alone; it begins in the everyday choices we make with our families, neighbors, and communities. In *Peacebuilding Starts at Home*, veteran peacebuilder Charles Hauss argues that the path to a more just and harmonious society lies in how we live our daily lives. Drawing on insights from social science, philosophy, and decades of hands-on work in conflict resolution, Hauss offers a practical framework for weaving peace into the fabric of ordinary experience. From building trust at the dinner table to cultivating compassion in schools and workplaces, he shows how tiny islands of change can connect and grow into a cultural movement with global reach. Part memoir, part field guide, and part call to action, this book challenges us to rethink peace not as an abstract ideal but as an achievable practice. Whether you are a community leader, educator, activist, or simply someone longing for a less divided world, *Peacebuilding Starts at Home* provides both the inspiration and the tools to begin.

Poetry & Quotes: Reflecting Clearly Anthony Rosario Wagner, 2016-08-29 This is the fourth installment in the Poetry Quotes series. Poetry Quotes Reflecting Clearly. Through every moment and every aspect of our lives, we have moments that we may regret or that we may embrace. But when we reflect on the moments of our past, they either bring smiles to our faces or tears running down them. To reflect means to think deeply and carefully about. Clearly means to in such a way as to allow easy and accurate perception or interpretation. Use the source to gather what you have reflecting clearly. When you're clearly reflecting, you're thinking about moments in time that meant something to you, and without a doubt, you remember them to the very moment that it happened. Sometimes that's all life is: a series of moments. Though it is true to cherish every single moment, whether it's good, bad, or indifferent, they belong to, and at the end of the day, I don't want to rip that from you.
