## Mind Polluters:

*The Mind Polluters* Jerry R. Kirk, 1985    *The New Politics of Pornography* Donald Alexander Downs, 1989-11-30 Fresh empirical evidence of pornography's negative effects and the resurgence of feminist and conservative critiques have caused local state and federal officials to reassess the pornography issue. In *The New Politics of Pornography* Donald Alexander Downs explores the contemporary antipornography movement and addresses difficult questions about the limits of free speech. Drawing on official transcripts and extensive interviews, Downs recreates and analyzes landmark cases in Minneapolis and Indianapolis. He argues persuasively that both conservative and liberal camps are often characterized by extreme intolerance which hampers open policy debate and may ultimately threaten our modern doctrine of free speech. Downs concludes with a balanced and nuanced discussion of what First Amendment protections pornography should be afforded. This provocative and interdisciplinary work will interest students of political science, women's studies, civil liberties and constitutional law.

**Uncommon Courage** Keisha Toni Russell, 2025-01-21 Protecting Your Freedoms in Today's Cultural Warfare In America the seeds of tyranny have taken root and we're reaching critical tipping points on many societal battlefronts. In *Uncommon Courage* constitutional lawyer Keisha Toni Russell exposes the tactics of those who are undermining the very foundations of our country and explains how you can walk in faith while defending your freedoms. Through an informed survey of today's divisive topics including religion, racism, abortion, education, and beyond, *Uncommon Courage* will help you recognize the significance of recent radical cultural shifts, identifying conditions that foster tyranny and explaining the laws designed to protect your liberty. Engage in compassionate but uncompromising conversations about freedom and faith backed by a biblical worldview and constitutional principles. Encourage fellow Christians to uphold the Bible as the founding wisdom of both America and the church and stand by their legal rights. *Uncommon Courage* will prepare you to have a powerful and positive impact in today's society. As you bless the hearts of others with the proclamation of God's truth, you can also influence both culture and government in ways that advance God's kingdom.
