**Mind of My Mind** Octavia E. Butler, 2021-01-21 A book that shifted my life Epic game changing moving and brilliant VIOLA DAVIS on Wild Seed A literary pioneer VANITY FAIR on Octavia E Butler A PATTERNIST NOVEL BOOK TWO The baby's name is Mary and her father is immortal For thousands of years Doro has pursued perfection experimenting with humanity and seeking out rare and powerful talents His finest creation is Mary a young black woman who grows up on the rough outskirts of Los Angeles Doro knows he must handle Mary carefully or risk her ending like his previous experiments dead either by her own hand or his What he doesn't suspect is that Mary is beginning to learn just how much power she wields As she comes of age Mary must harness her newfound abilities to challenge the ruthless man who controls her and fight to free her people once and for all

**Chapters in the Mind of a Schizophrenic** YM Mehanni, 2023-01-06 The essence of my book I lost my mind And got it back with time My mind is a complex thing Only I know what it is like within Concealed in my skull It's anything but dull I tried to keep it sane But it has its own brain I lost control and got it back But it's that trust I lack Not knowing what comes next I converted my thoughts to text To try and understand Before I'm buried in the sand I kind of know how you tick But to society I am sick Labelled as mentally ill But I have a strong will To conquer my brain And learn how to maintain A level of sanity Enough to have clarity And function within the norm Without causing a storm I lost you twice As I rolled the dice Gambling with my mind Because I didn't know what kind of illness I was dealing with Now I know schizophrenia it is I try to make my peace With a mind that is never at ease Now I wrote this book And that much suffering it took To describe my mind But I think now it is perfectly timed To share this book With all the pain and sweat it took I hope to spark a conversation That puts us on track to that far destination Where acceptance is key And we can all live free By YM Mehanni
