*After the Guns Fall Silent* Shawn Roberts, Jody Williams, 1995-01-01 Years after peace treaties have been signed and military conflict is nominally over anti personnel mines continue to claim innocent lives This text offers data showing that landmines victimize civilians in direct contravention of the Geneva convention and examines the impact landmines have on people on their communities and on their outlook and view of life The report commissioned by the VVAF examines the consequences of landmine use on post conflict reconstruction and development on refugee movement and resettlement and on the environment It also investigates mine clearance and mine awareness and medical rehabilitative and psychological costs Using original research the report uses case studies from countries including Angola Mozambique Cambodia and the former Yugoslavia Scholarly and accurate analysis combines with people s own words and real personal stories to present a detailed evaluation of the effect of this most potent of weapons This work is published by the Vietnam Veterans of America Foundation and distributed in the UK and Ireland by Oxfam     The Minefield Greg Lockhart, 2007-05-01 A history of the Australian minefield laid in the Phuc Tuy Province in 1967 that played havoc with Australia s military operations in Vietnam and constituted the greatest tactical blunder in Australian military history since World War Two     Children's Understanding of Society Martyn D. Barrett, Eithne Buchanan-Barrow, 2005 This state of the art review of research covers children s understanding of the school economics politics the law and legal processes gender roles social class and occupational groupings racial groups ethnic groups and national groups     The Global Landmine Crisis United States. Congress. Senate. Committee on Appropriations. Subcommittee on Foreign Operations, Export Financing, and Related Programs, 1994     **Minefield Children** Rayan Aran, 2000-10 Minefield Children is a collection of poems ranging in mood from gentle lyricism to dark horror The voices of Holocaust survivors madmen children lovers South American Inquisitors and the dying mingle in its pages The view of life expressed in Aran s verse is dark his times have been filled with blood tears and the screams of shattered little ones Yet the darkness of Minefield Children is often relieved by tender moments of love and fragile hope The title of the collection refers to children who were used during a recent war They were made to walk across mined fields to clear a path for soldiers whose lives were deemed more valuable than their own The children were told they would go to heaven immediately if they stepped on a mine Many mines were detonated Minefield Children will haunt you will move you to tears and will cut through the prose of your life into the poetry of your heart     **The Children's War** C. P. Boyko, 2018-09-11 In his fourth collection C P Boyko turns his keen eye to the question of power in schools and on campuses in doctor s offices and boardrooms in triage tents and on the battlefield A high school math teacher tries too hard to be liked childhood friends grow up and go to war for very different reasons for purposes not entirely medical a dentist hypnotizes a patient management and workers struggle for control of a faltering factory infantries comprised exclusively of women meet in battle and undergraduates occupy a university president s office rallying beneath the flag of moral outrage

Moving effortlessly through a range of styles from contemporary realist fiction and episodic adventures to three act plays and polyvocal narratives Boyko's chameleon talents reveal the thread that binds his disparate characters and plots the hunger to hold power and all the ways we are consumed by it Clear eyed but not cynical satirical without being sarcastic The Children's War is as entertaining as it is insightful      **The International Journal of Children's Rights** ,1996      **Counselling Children** Kathryn Geldard,David Geldard,1997-07-09 A resource for students and professionals in counselling social work psychology occupational therapy mental health and psychiatry nursing and education      **Landmine Monitor Report 2002** ,2002 Saint Kitts and Nevis      **The Children's Story of the War** Edward Parrott,1918      **Journal of Mine Action** ,2004
