REVIEWS FOR THE JOY OF RECOVERY There are many books on recovery but every now and again a book is published that best captures what it takes to recover from addiction Dr McGee has done just that I have been in the field for over four decades and I must say I learned a lot from reading his book and you will too

Allen Berger PhD Clinical Director The Institute of Optimal Recovery and Emotional Sobriety The Joy of Recovery gives a new perspective in treating an old disease This book can turn today's failures into tomorrow's miracles

John Harsany Jr MD DFSAM Medical Director Riverside County Substance Abuse Program The healing power of Love runs through this book like a golden thread

William R Miller PhD Emeritus Distinguished Professor of Psychology and Psychiatry The University of New Mexico The Joy of Recovery is a wonderful addition to the available lexicon of materials that are designed to help people follow a recovery path that not only leads to abstinence but leads to a life filled with joy and meaning

Dr McGee provides a very practical approach that translates his extensive experience into tools and tips for the reader at every step along the path I would not hesitate to recommend this book to those individuals suffering with addiction who are seeking an informed and helpful companion on their journey of hope

Kenneth Minkoff MD I had relapsed before I was introduced to Dr McGee and the Touchstones of Recovery I needed more than the fellowship that 12 step programs provide The Joy of Recovery is the next evolutionary step in addiction recovery This book expands on tried and true methods using 21st century thinking and practices to make living in recovery a joyful experience

DN a patient of Dr McGee's The Joy of Recovery is a must read for anyone dealing with the hardships of addiction whether it's for yourself or someone you love

The Touchstones of Recovery along with Dr McGee's mental and spiritual fortitude have given me the strength and encouragement to overcome many obstacles in my life The Touchstones can be a guide to help change your life forever They have showed me how to get the most out of my recovery and have changed me into the person I have always wanted to be

Healing Addiction EMDR Therapy

Jamie Marich, Stephen Dansiger, 2021-08-09 There are just so many things that I love about this book that I simply don't know where to begin

Marich and Dansiger take an approach that is comprehensive integrative relational and deeply hopeful They share their wisdom and lived experience as skilled clinicians AND as vulnerable human beings who themselves have struggled with addiction benefiting in profound ways from EMDR therapy

Deborah Korn Psy D Co Author of Every Memory Deserves Respect EMDR The Proven Trauma Therapy with the Power to Heal This must read volume offers clinicians a road map to navigate the often convoluted and intricate journey of accompanying clients suffering the aftermath of trauma and addictions

Clinicians will find in this book the guidance foundational and advanced skills as well as an incredibly rich repertoire of stabilization strategies

Ana M Gomez MC LPC Author of EMDR Therapy and Adjunct Approaches with Children Complex Trauma Attachment and Dissociation Healing Addiction with EMDR is tailored to support therapists along the

different phases of EMDR Therapy It focuses on understanding each individual case through case conceptualization and treatment planning and avoiding the simplistic What protocol should we use question People need to be understood as individual beings since this is the essence of EMDR Therapy Dolores Mosquera Co Author of EMDR and Dissociation The Progressive Approach INTRA TP A Coru a Spain Offers a holistic comprehensive approach to addiction treatment that combines standard EMDR therapy with specialty protocols This innovative and brand new EMDR therapy guide for healing addiction is the first book to underscore the efficacy of EMDR therapy as a primary modality for treating trauma and addiction Targeting the trauma lurking beneath the addiction the resource presents a comprehensive collection of best practices and strategies for using EMDR therapy to treat addictive disorders and guides practitioners in incorporating their protocols of choice into EMDR treatment While illuminating underlying theory the book focuses on practice knowledge and how therapists can translate this knowledge into clinical settings in order to provide clinicians with a fully integrated approach to the diagnosis treatment and management of addiction across populations Written in user friendly language by two prominent practitioners and trainers of EMDR therapy the book helps therapists to address the complexity of addictive disorders by providing a comprehensive guide to the standard eight phase protocol and adaptive information processing model as groundwork for case conceptualization and treatment Chapters contain case studies with commentary on relevant decision making points along with discussion questions to enhance critical thinking Abundant Tips and Tricks learned in the trenches make the text come alive with clinical relevance and references to many of the best specialty protocols and strategies for treating clients suffering from addiction due to trauma guide readers to choose the best protocol for each situation Purchase includes digital access for use on most mobile devices or computers Key Features Authors lived experience brings a wealth of real world application Introduces the standard EMDR therapy protocol as a modality of choice for treating trauma and addiction disorders Rates popular specialty protocols for addiction and provides guidance on how to integrate them into treatment Delivers a wealth of best practices and strategies for working with clients with addiction issues Addresses effectively working with dissociation in EMDR therapy Focuses on best practice informed by a thorough review of up to date scholarly literature Uses abundant case studies Tips and Tricks from the Field and practical exercises to reinforce knowledge

Decolonizing Methodologies Professor Linda Tuhiwai Smith, 2021-04-08 With Decolonizing Methodologies Linda Tuhiwai Smith made us rethink the relationship between scholarly research and the legacies of colonialism and to confront the reality that for the colonized such research was often inextricably bound up with memories of exploitation Offering a visionary new decolonizing approach to research methodology her book has continued to inspire generations of decolonial and indigenous scholars This revised and expanded new edition demonstrates the continued importance of Tuhiwai Smith's work to today's struggles including the growing movement to decolonize education and the university curriculum It also features contributions from both new and established indigenous scholars on what a decolonizing

approach means for both the present and future of academic research and provides practical examples of how decolonial and indigenous methodologies have been fruitfully applied to recent research projects Decolonizing Methodologies remains a definitive work in the ongoing struggle to reclaim indigenous ways of knowing and being
