Millennium Babe The Prophecy:

Millennium Babe: the Prophecy Betty Dravis, 2001-01-22 BOOK JACKET COPY World chaos erupts when David Wetterman a popular Silicon Valley weatherman makes a startling prophecy about the first baby to be born on January 1 2001. Countries fight over The Millennium Babe expectant mothers are terrified abortion rates accelerate The Prophet becomes an international celebrity forced into hiding when some VIPs threaten his life. With his remarkable TV director Bitsy Blodgett by his side the apocalyptic countdown to the third millennium begins. NEWSPAPER CUSTOMER REVIEWS Millennium Babe The Prophecy Capitola author Betty Dravis's first mystery has been getting good reviews on Amazon.com Leigh Weimers San Jose CA Mercury News columnist Hey Wetterman What next I found this book to be very entertaining I liked how the characters were fleshed out they became real. The story line was different than I had originally expected with a number of twists and turns to keep you wondering what will happen next. Having spent a considerable amount of time in the San Jose Santa Cruz and Capitola area I also really appreciated all the good memories it brought back. When you live there it's so easy to take for granted. What I'm looking forward to is a sequel. Now that these fictional characters are so real I'm dying to know what happens next. One of the refreshing features about this book aside from the fact that it is very interesting is the fact that the author has written it in a style that could be shared with a wide audience. Definition She managed to use multiple adjectives to describe people situations and locations without having to swear or use any abusive language. Not something that I was looking for but something that was noticeable. I would like to see more from this author. Okay. How soon. Rochelle Venckus Denver Colorado This novel has a little bit of everything adventure mystery humor a hint of religion and a healthy dose of love. I couldn't put it down. As far as I'm concerned it's a five star book. Debra Pangborn San Jose CA The Millennium Babe was an exciting and thrilling story. Just when you think you have figured out the story it takes on new twists and turns. Once you start reading this book you will not want to put it down. Carolyn Joan Murillo San Jose CA Starting with an interesting character David Wetterman and pulling together a compelling plot the story Millennium Babe comes to life. Twists mystery and curiosity draw the reader to finish the book quickly. True to a good story the ending is not predictable. This is a book you will not regret buying. Kathleen Chewey Campbell CA Although I'm more of a who-dun-it mystery reader I was quickly drawn into the story line in Millennium Babe and was able to identify easily with the characters as they typified many Silicon Valley residents. The author has done a successful job of capturing her readers attention in the first chapter drawing them along to the climax at book's end and creating speculation about what will happen next. I hope there will be a sequel published soon. Betsy Grandey San Jose CA *The Shadow of Her Smile* Victoria Taylor Murray, 2005-04 Reading *The Shadow of Her Smile* was like slurping a long cold lemonade on a sultry summer day. I couldn't devour it fast enough. The story started off with a bang and grew increasingly suspenseful as Victoria Taylor Murray drew me into her exciting plot with the ease that only the best writers can achieve. From Trump Tower to the Waldorf Astoria Hotel to Little Italy to NYPD and a grandmother's run
