## **Mind Goes Forth:**

*Shreemad Bhagavad Gita* Paramahamsa Sri Swami Vishwananda,2016-05-31 The Shreemad Bhagavad Gita is one of the most ancient scriptures in the world It contains the direct word of God spoken for all of mankind irrespective of religion or tradition Its philosophy and teachings are central to human life It teaches us to live our daily lives in Divinity as a service unto God and His creation It achieves this by gifting us true knowledge faith devotion surrender detachment and a release of expectations and ownership over one's own actions It comes as a stark contrast to the lives with which we have grown accustomed to leading Today's world is filled with constant desire for material wealth sense pleasures individualism and egoism The Gita acts as a lighthouse on the shores of Vaikunta guiding lost sailors at the sea of illusion to safety But like any teaching time and unqualified minds can distort it and misunderstand what is contained within It is for that purpose that the Lord continuously takes birth on earth in the form of the Guru to revive the true essence of the Gita to show the simplicity of the message of Bhagavan One such Master is Paramahamsa Sri Swami Vishwananda and in this book which is his personal commentary we hold a treasure chest of spiritual insight
