Step By Step Trauma Healing

Lila Santoro, Al

Step By Step Trauma Healing:

Trauma and the Twelve Steps Jamie Marich, 2012 Criticism of 12 step recovery is nothing new however 12 step programs are increasingly getting a bad rap for being too one size fits all or not applicable to individuals struggling with issues beyond the scope of simple alcoholism or addiction especially issues surrounding traumatic stress Trauma and the Twelve Steps A Complete Guide to Enhancing Recovery takes the posture that there is nothing wrong with using 12 step recovery principles in treatment or in continuing care with individuals who are affected by trauma related issues However this book also explains how rigid application of 12 step principles can do more harm than good for a traumatized person and that learning some simple accommodations based on the latest knowledge of traumatic stress can enhance the 12 step recovery experiences for trauma survivors Written for professionals sponsors and those in a position to reach out and help recovering addicts the user friendly language in this book will teach you how to unify the traditional knowledge of 12 step recovery with the latest findings on healing trauma In doing so you will be able to help others and maybe even yourself work a recovery program like never before

At last someone has thoughtfully and intelligently reconciled the practical wisdom of the 12 steps with best practices for posttraumatic stress In Trauma and the Twelve Steps Jamie Marich tosses aside the rigid orthodoxies that have hampered both fields and delivers in beautiful eminently readable English a coherent treatment approach that is sure to maximize sobriety and healing Belleruth Naparstek Author of Invisible Heroes Survivors of Trauma and How They Heal creator of the Health Journeys guided imagery audio series It's critically important for people in 12 step based treatment to keep trauma in mind and not re traumatize people with coercive practices like forced 4th and 5th steps or misguided ideas that addiction has nothing to do with trauma I support these efforts promoted in Dr Marich's work to help those whose choice of recovery paths is within the 12 step framework Maia Szalavitz Journalist and best selling author of Born for Love and The Boy Who Was Raised as a Dog Trauma and the 12 Steps--The Workbook Jamie Marich, PhD, Stephen Dansiger, PsyD, MFT, 2023-08-29 Your definitive trauma sensitive guide to working the Steps skills for understanding your addiction processing your trauma and navigating your recovery journey the anticipated companion to Trauma and the 12 Steps This addiction recovery workbook from clinicians Jamie Marich PhD and Stephen Dansiger offers skills to prevent relapse enhance recovery and understand how trauma impacts alcoholism drug dependency and even other types of addictions Working the Steps for the first time can feel scary and unfamiliar and depending upon the experiences you've had at AA or NA you may question whether the 12 Steps are right for you Here Marich and Dansiger help you get to the root of your addiction while offering skills and exercises for an inclusive recovery program Unlike some 12 Step programs this workbook is open to all regardless of your background history identity or spiritual beliefs It also recognizes that for most of us on recovery or sobriety journeys each Step isn't made to be worked through only once this workbook is designed to support your individual needs whether that's practicing one step on a day to day basis revisiting another at different times

throughout your recovery process or using the exercises as part of a yearly check in The workbook begins with a self care inventory then moves through each of the 12 steps with prompts meditations journaling reflections and body based exercises The authors also offer coping skills and an open minded approach that acknowledges that your recovery is as unique as you are one size fits all doesn t apply Compassionate trauma responsive and grounded in the latest behavioral and neuroscience research this workbook is your go to addiction recovery toolkit [Trauma Recovery Steps](#) Lila Santoro, AI, 2025-03-15
