**Mysteries of Chartres Cathedral** Louis Charpentier,1997-04    **The Sign and the Seal** Graham Hancock,2012-09-19 A compelling brew of mystery crime and science revealing the details behind the search for the lost Ark of the Covenant The Lost Ark of the Covenant is one of the great historical mysteries of all time To believers the Ark is the legendary vessel holding the stone tablets of the Ten Commandments The Bible contains hundreds of references to the Ark's power to level mountains destroy armies and lay waste to cities The Ark itself however mysteriously disappears from recorded history sometime after the building of the Temple of Solomon After ten years of searching through the dusty archives of Europe and the Middle East as well as braving the real life dangers of a bloody civil war in Ethiopia Graham Hancock has succeeded where scores of others have failed This intrepid journalist tracked down the true story behind the myths and legends revealing where the Ark is today how it got there and why it remains hidden Part fascinating scholarship and part entertaining adventure yarn tying together some of the most intriguing tales of all time from the Knights Templar and Prester John to Parsival and the Holy Grail this book will appeal to anyone fascinated by the revelation of hidden truths the discovery of secret mysteries    *The Secret History of the World and How to Get Out Alive* Laura Knight-Jadczyk,2005 Previously published as Ancient Science Secret History contains 150 pages of new material The Secret History of The World and How To Get Out Alive is the definitive book of the real answers where Truth is more fantastic than fiction Laura Knight Jadczyk wife of internationally known theoretical physicist Arkadiusz Jadczyk an expert in hyperdimensional physics draws on science and mysticism to pierce the veil of reality With sparkling humour and wisdom she picks up where Fulcanelli left off sharing over thirty years of

research to reveal for the first time The Great Work and the esoteric Science of the Ancients in terms accessible to scholar and layperson alike Conspiracies have existed since the time of Cain and Abel Facts of history have been altered to support the illusion The question today is whether a sufficient number of people will see through the deceptions thus creating a counter force for positive change the gold of humanity during the upcoming times of Macro Cosmic Quantum Shift Laura argues convincingly based on the revelations of the deepest of esoteric secrets that the present is a time of potential transition an extraordinary opportunity for individual and collective renewal a quantum shift of awareness and perception which could see the birth of true creativity in the fields of science art and spirituality The Secret History of the World allows us to redefine our interpretation of the universe history and culture and to thereby navigate a path through this darkness In this way Laura Knight Jadczyk shows us how we may extend the possibilities for all our different futures in literal terms With over 800 pages of fascinating reading The Secret History of The World and How to Get Out Alive is rapidly being acknowledged as a classic with profound implications for the destiny of the human race With painstakingly researched facts and figures the author overturns long held conventional ideas on religion philosophy Grail legends science and alchemy presenting a cohesive narrative pointing to the existence of an ancient techno spirituality of the Golden Age which included a mastery of space and time the Holy Grail the Philosopher's Stone the True Process of Ascension Laura provides the evidence for the advanced level of scientific and metaphysical wisdom possessed by the greatest of lost ancient civilizations a culture so advanced that none of the trappings of civilization as we know it were needed explaining why there is no evidence of civilization as we know it left to testify to its existence The author's consummate synthesis reveals the Message in a Bottle reserved for humanity including the Cosmology and Mysticism of mankind Before the Fall when as the ancient texts tell us man walked and talked with the gods Laura shows us that the upcoming shift is that point in the vast cosmological cycle when mankind or at least a portion of mankind has the opportunity to regain his standing as The Child of the King in the Golden Age If ever there was a book that can answer the questions of those who are seeking Truth in the spiritual wilderness of this world then surely The Secret History of the World and How to Get Out Alive is it **Cracking the Symbol Code** Tim Wallace-Murphy, 2012-01-01 Expanding on issues touched on in The Da Vinci Code this thought provoking study explores the real story of Christianity a story told by men and women condemned by the traditional orthodox church and one long hidden in mysterious codes and symbols In medieval times dissenters believed the established church ruthlessly suppressed the truth about Jesus and his ministry Branded as heretics and subject to torture and execution for their beliefs the dissenters including the Knights Templar Freemasons Cathars and groups of scientists devised an ingenious code to communicate with fellow sympathizers and preserve the truth They concealed these complex symbols in art artifacts and architecture of the medieval world Finally this fascinating underground language is deciphered revealing powerful messages meant as much for today's truth seekers as for medieval minds Thinkers, Saints, Heretics Virginia Sease, Manfred Schmidt-Brabant, 2007 The
