The Constructive Quarterly Silas McBee,1922      *The Eternal Mystery of Son-of-Man* Joe Arosh,2021-03-30

The purpose of this book is to unveil the hidden eternal mystery of the Son of Man Jesus Christ Yeshua the Messiah The Son of Man in Hebrew is Ben HaAdam and in Greek is Huios Anthropos All believers of Yeshua the Messiah have a good understanding of His earthly ministry and His execution death burial resurrection and ascension To some extent the believers understand His second coming and Messianic kingdom However we have a limited understanding of Messiah s Life and Nature in the Eternals outside the time space and matter In the four Gospels Good Tidings Besorah only Yeshua the Messiah called Himself the Son of Man but not others Messiah called Himself the Son of Man 87 times while He called Himself the Son of God four times The critical question Why did Messiah call Himself the Son of Man The most widely accepted answer to the question is that the Son of God Jesus Christ is born as a human in this world therefore He is known as the Son of Man Is this the central reason why Yeshua the Messiah Jesus Christ called Himself the Son of Man Yeshua the Messiah said Search the Scriptures for in them you think you have eternal life and they are they which testify of Me John 5 39 In Luke 24 25 27 Messiah explained to His disciples concerning Himself from the Torah Prophets and Writings Tanakh or Old Testament The secret things belong unto the LORD YHWH our God Elohim but those things which are revealed belong unto us and to our children forever that we may do all the words of this Law Torah Deut 29 29 Our following study of the Scriptures unveils the hidden mystery of why Yeshua the Messiah called Himself the Son of Man When Messiah called Himself the Son of Man He traveled into the Eternals and showed His divine relationship with His Father YHWH Elohim and showed His Life and Nature in the Eternals spanning from the eternity past to the eternity future In this book the author presents research evidence from the Scriptures spanning from before Genesis to after Revelation to see and hear Shema the eternal aspects of Yeshua the Messiah outside the time space and matter The author recommends that the readers should travel in spirit into the Eternals outside the time space and matter to see the eternal truth presented in this book The author also suggests that believers should search out the eternal truth revealed in this book without any preconceived theological

concept or doctrinal knowledge but with spiritual revelation Only then the believers can behold and perceive the invisible divine relationship between the Messiah and His Father YHWH Elohim in the Eternals The author trusts that the research findings from the Scripture presented in this book will inform inspire and encourage many believers to personally search the Scripture and find out the Life and Nature of our Messiah in the Eternals A proper revelation of the Life and Nature of Messiah in the Eternals will transform our spiritual knowing of our beloved Messiah who lives in us and lives in the Eternals at the same time This book uniquely covers the Son of Man Yeshua the Messiah from eternity past to eternity future Any believer or disciple of Yeshua the Messiah should read this book and start the journey through the Eternals

**The Life of the Lord Jesus Christ** Johann Peter Lange, 1872      The Mystery of the Messiah FREDERICK. GUTTMANN, 2024-04-10 This book is oriented to Jewish eschatology and messianism The idea of a savior that the Hebrew people expected and where there has been a large number of debates especially since the appearance of the figure of Yeshua Jesus because Christians were the ones who mostly declared that he was the messiah The Jews did not recognize Yeshua as a messiah because he does not fit the profile they expect and because they claim that he did not fulfill the prophesied characteristics Religious Jews feared that the proclamation of Yeshua as king of the Jews would cause conflict with the Romans but that still happened later when Shimon bar Koba was named the messiah by the Sanhedrin three decades after Yeshua's crucifixion The union of the people for liberation motivated the Zealots in a fateful war against the Romans which ended in the expulsion of the Jews from their land It must be defined what a messiah is and what role he plays In Hebrew history his deliverer was Moses who before his death proclaimed that a deliverer would come in his place one of his own Israelite brothers Certainly that savior was seen in the figure of Joshua Moses successor but it was understood that Moses was speaking of someone who would come in the future and be the guide of all the people in a more universal scope King David said that a son of his would come who would be the savior the messiah the right hand of Jehovah Initially the concept of son was interpreted literally not as a future successor so that his heir Solomon thought that he was this messiah Jewish scholars have dedicated themselves to searching for clues about this Messiah who must also reestablish Israel by reuniting the lost tribes And this search is done in public figures in the Scriptures even in their codes They review the previous opinions of the midrashim of the Talmud They find two important figures the greater Messiah and the lesser Messiah The younger is called Messiah son of Joseph and the older is called Messiah son of David Some have speculated that they are not two but the same representing two characteristics of the same being Another aspect that does not even seem to have been present in the idea of the Messiah among the Jews even in the time of the apostles was that of a successor to the priest Aaron the older brother of Moses from the tribe of Levi He was the only one authorized to enter the Holy Sanctorum and who was the representative authority of Jehovah the man closest to God The wife of Ner Noah's brother had a son from whom the priestly order called Melki Tzedek Kings of Justice began That high priest of the Melki Tzedek order also had to demonstrate At the end of Genesis the patriarch Jacob announced that

someone great would come as Envoy and Peacekeeper with whom the power of the tribe of Judah would disappear and who would remove the power of the 613 ordinances that Moses would impose In the words of the major and minor prophets of Israel there was also mention of the arrival of a preacher who would unite people who would teach love who would care for the unwanted elements of society and would achieve great things without the need for force We analyze all the references related to the characteristics to identify said messiah from the place time and conditions that had to occur for his appearance and how said appearance would develop its patterns and end in the light of Hebrew literature and both from the canon of the Tanak as well as the Talmud and the Kabbalah      **The Mystery of the Historical Jesus** Louay Fatoohi,2008      **The New-Church Review** ,1908      The Book of Mysteries Jonathan Cahn,2016 A traveler goes on a year long journey with a man known only as The teacher and absorbs a new teaching on spiritual truths for every day of the year      **The Promised One** Sally H.
