Mystical Studies in the Apocalypse Henry Erskine Hill, 1997 *Mystical Studies in the Apocalypse* H. Erskine Hill, 2014-03 This Is A New Release Of The Original 1920 Edition **Mystical Studies in the Apocalypse** Henry Erskine Hill, 1932 Mystical Studies in the Apocalypse Henry Erskine Hill (Provost of St. Andrew's, Aberdeen.), 1931

Apocalypticism and Mysticism in Ancient Judaism and Early Christianity John J. Collins, Pieter G. R. Villiers, Adela Yarbro Collins, 2018-09-24 The nature and origin of Jewish mysticism is a controversial subject This volume explores the subject by examining both the Hebrew and Aramaic tradition Dead Sea Scrolls 1 Enoch and the Greek philosophical tradition Philo and also examines the Christian transformation of Jewish mysticism in Paul and Revelation It provides for a nuanced treatment that differentiates different strands of thought that may be considered mystical The Hebrew tradition is mythical in nature and concerned with various ways of being in the presence of God The Greek tradition allows for a greater degree of unification and participation in the divine The New Testament texts are generally closer to the Greek tradition although Greek philosophy would have a huge effect on later Christian mysticism The book is intended for scholars and advanced students of ancient Judaism and early Christianity **The Mystical Significance of Apocalyptic Numbers** H. Erskine Hill, 2005-12-01 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world's literature in affordable high quality modern editions that are true to the original work Apocalypticism and Mysticism in Ancient Judaism and Early Christianity John J. people experience as the scandal of Paul is the unfortunate consequence of the way Paul has usually been read or rather misread in the churches In the first half of the book Elliott examines the many texts historically interpreted to support oppression or maintain the status quo He shows how often Paul s authentic message has been interpreted in the light of later pseudo Pauline writings In Part Two Elliott applies a political key to the interpretation of Paul Though subsequent centuries have turned the cross into a symbol of Christian piety Elliott forcefully reminds us that in Paul s time this was the Roman mode of executing rebellious slaves a fact that has profound political implications *Gregorianum* ,1998

Lectures on the Apocalypse Robert Henry Charles,1922 **Heavenly Priesthood in the Apocalypse of Abraham** Andrei A. Orlov,2013-08-01 The Apocalypse of Abraham is a vital source for understanding both Jewish apocalypticism and mysticism Written anonymously soon after the destruction of the Second Jerusalem Temple the text envisions heaven as the true place of worship and depicts Abraham as an initiate of celestial priesthood Andrei A Orlov focuses on the central rite of the Abraham story the scapegoat ritual that receives a striking eschatological reinterpretation in the text He demonstrates that the development of the sacerdotal traditions in the Apocalypse of Abraham along with a cluster of Jewish mystical motifs represents an important transition from Jewish apocalypticism to the symbols of early Jewish mysticism In this way Orlov offers unique insight into the complex world of the Jewish sacerdotal debates in the early centuries of the Common Era The book will be of interest to scholars of early Judaism and Christianity Old Testament studies and Jewish mysticism and magic

Seminary,1998 Mysticism Evelyn Underhill,1919 **A Guide to Early Jewish Texts and Traditions in Christian Transmission** Gabriele Boccaccini,Lorenzo DiTommaso,David Hamidovic,Michael E. Stone,2019-10-14 The Jewish culture of the Hellenistic and early Roman periods established a basis for all monotheistic religions but its main sources have been preserved to a great degree through Christian transmission This Guide is devoted to problems of preservation reception and transformation of Jewish texts and traditions of the Second Temple period in the many Christian milieus from the ancient world to the late medieval era It approaches this corpus not as an artificial collection of reconstructed texts a body of hypothetical originals but rather from the perspective of the preserved materials examined in their religious social and political contexts It also considers the other non Christian channels of the survival of early Jewish materials including Rabbinic Gnostic Manichaeism and Islamic This unique project brings together scholars from many different fields in order to

map the trajectories of early Jewish texts and traditions among diverse later cultures. It also provides a comprehensive and comparative introduction to this new field of study while bridging the gap between scholars of early Judaism and of medieval Christianity.

Apocalyptic and Merkavah Mysticism Ithamar Gruenwald, 2014-08-21. This is a new and revised edition of the book first published 1980. It contains new introductory and concluding chapters as well as a Bibliography and updated Index. Furthermore, substantial corrections, updates, and changes have been made in the original text. The changes concern matters of language and style; they nuance the line of argumentation and they update the discussion of major issues. The new chapters fill several scholarly gaps that have opened since the initial publication of this book in 1980. The new Introductory Chapter explores new venues and issues in the study and assessment of the Hekhalot literature and relevant passages in apocalyptic literature and this in light of epistemological and ontological considerations. The Concluding Chapter discusses the ritual praxis of the experience of the Hekhalot mystics and its affinity to magic and this in terms of new approaches to ritual theory.
