Mystical Teachings of Christianity Jim Lewis, 1980-01-01      **The Mystical Teachings of Jesus** David Hoffmeister, 2016-01-01 The Mystical Teachings of Jesus answers the prayer of the heart for an intimate and profound relationship with God in modern times. It is for anyone who is inspired by the life and teachings of Jesus and has experienced the deep wisdom of the Bible. Two thousand years ago Jesus spoke profound words to lead us out of the darkness and into the Light and Love of His Grace. Today through A Course in Miracles he continues to bless the world with clear and direct teachings on forgiveness and salvation. This book is a gateway to the deep Self Realization that we are the Christ Mind we are love itself. As the Bible so clearly states Let this mind be in you which was also in Christ Jesus Philippians 2:5. And from A Course in Miracles This is the invitation to the Holy Spirit I have said already that I can reach up and bring the Holy Spirit down to you but I can bring Him to you only at your own invitation. The Holy Spirit is in your right mind as He was in Mine. The Bible says May the mind be in you that was also in Christ Jesus and uses this as a blessing. It is the blessing of miracle mindedness. It asks that you may think as I thought joining with me in Christ thinking T 5 I 3 1 6. David Hoffmeister was raised in a Christian family and always felt a deep love for Jesus. Ultimately he devoted himself to a complete immersion of Jesus's teachings in A Course in Miracles. He has become a living demonstration of one who has paid heed to these teachings and lives his life from a state of mind that is consistently loving, peaceful, and joyful. His life's purpose is to extend the message of peace. Seek ye first the Kingdom of Heaven and His righteousness and all else shall be added unto you Matthew 6:33. I will come in response to a single unequivocal call T 4 III 7 10

**Mystic Christianity** William Atkinson, 2014-01-22 Exploring deeply the teaching of the one called the Christ this book reveals to us the heart of God the heart of the Messiah and shows us the path through the scripture to manifest that heart and that power in our own lives **Mystic Christianity the Inner Teachings of the Master** Yogi Ramacharaka, Summit Classic Press, G. Edward Bandy, 2014-07-03

For over 100 years western students have been aided by the teachings of Yogi Ramacharaka Generations of students have found the study of the Ramacharaka texts and the practice of his teachings to be a valuable step in the attainment of wisdom awareness and improved health of mind body and spirit This collector quality edition includes the complete text of this enduring classic in a freshly edited and newly typeset edition With a generous 6x9 page size this Summit Classic edition is printed on heavyweight bright white paper with a fully laminated cover featuring an original full color design Also included is an original detailed biographical sketch discussing the life and work of the secretive author *Mystic Christianity* is a comprehensive study of the influence and impact of the beliefs concepts principles and philosophy of ancient Judaic and eastern mysticism and the Kabbalah on the religion of Christianity Presented in a straightforward manner in plain language the text guides the reader through a study of the ancient mystic and occult doctrines which form the basis of much of the Christian Doctrine as presented in the New Testament of the Christian Bible Drawing on both ancient and more modern sources the text sheds light on many of the most confusing mysterious and paradoxical episodes in the life teaching and philosophy of Jesus Christ revealing Him not as the creator of an entirely new belief system but as the master and teacher of an ancient system of knowledge and beliefs comprising the Inner Teachings previously known only to a handful of initiates Whether as an introduction for beginners or a self study guide for more advanced readers the systematic straightforward style of the work makes the often abstract and mysterious concepts accessible to all readers as it explores the role of ancient wisdom and knowledge in the teachings of Jesus and the later entry through various means of concepts which distorted and confused the original message of the Master a message of the oneness of the universe and the place of man collectively and individually in that universe a universe where there are universal laws at work and universal truths at the heart of existence Like much of the author's work the text teaches that the discovery and understanding of these universal laws and truths can be applied to improve the life of the individual and that humankind's growth and development is an ongoing process which should be directed at the discovery and application of these principles But the message is also directed to each individual for each individual is capable of understanding some part of the universal truth and the application of that part which is within the grasp of the individual will further the mental and spiritual growth and development of that individual This book is most emphatically NOT an overt rejection of Jesus or his

teachings or the central message of Christianity But it strips away layers of misleading information added to that message in the ensuing years by often well meaning disciples and believers who confused and obscured the real teachings of Jesus teachings grounded in an ancient and mysterious wisdom
