Myth History Faith:

Myth, History, and Faith Morton T. Kelsey, 1991-08-01 Myth, History, and Faith Morton T. Kelsey, 1974-01-01

Myth, History, and Faith Morton T. Kelsey, 1994-06-01 Life without myth is likely to be dead and sterile while religion without myth is a flat rational substitute for the real thing Morton Kelsey *Myth, History, and the Resurrection in German Protestant Theology* Brent A. R. Hege, 2017-10-13 The Christian faith stands or falls with the confession that Jesus Christ is risen While that assertion itself is perhaps uncontroversial precisely what this confession means has been a subject of profound significance and immense controversy for centuries Central to this discussion is the role of myth and history in the biblical witness and in the church's theological engagement with the confession that Jesus Christ is risen This book traces key trajectories of German Protestant discussions of myth history and the resurrection from its earliest critical analysis in the work of Hermann Samuel Reimarus and David Friedrich Strauss to contemporary appraisals by Eberhard Jüngel and Ingolf Ulrich Dalferth At the center of this discussion stands Rudolf Bultmann whose work on the resurrection sparked fierce debates that left a lasting impact on Protestant theology in Germany and beyond The questions raised by these theologians continue to resonate in contemporary discussions of the nature and status of biblical texts the integrity and truth of the Christian confession and the meaning and significance of the resurrection of Jesus Christ for Christian faith and life at the beginning of the twenty first century *History, Faith, and Myth* C. Robert Mesle, Mormon History Association.

Meeting, 19?? Ancient Myths and Biblical Faith Foster R. McCurley, 1983 In tracing the development of three mythological themes the conflict between the god of order and the chaos of the sea the rhythm of fertility and sterility in terms of divine and human sexuality and that quality of space known as the sacred mountain Foster R McCurley examines religious texts from Mesopotamia Canaan and Egypt cultures which had direct contact with ancient Israel The use of these themes in both the Hebrew Bible and the New Testament is discussed with the thematic development providing a basis for exploring the relationship between myth and history in biblical faith **Christian Faith and Life**, 1910 **Fables of Infidelity and Facts of Faith** Robert Patterson, 1875 *Jesus Christ and Mythology* Rudolf Bultmann, 1958 Library of Liberal Arts title **Questioning Faith** Sheila Deeth, 2020-09-30 If you or your children or your friends and relatives and neighbors have ever complained that faith is a misery a pain a burden legalistic divisive cruel a crutch impractical a myth just part of your culture unreal anti science too heavenly minded to be any earthly use dead only about predicting the end of the world only about deciding who's going to be saved or lost all about condemnation and Thou shalt not then this just might be the book for you and for them And if anyone's ever told you to stop asking questions Questioning Faith eagerly invites you to ask away In this book the author sets out to show how questions make the answers breathe and how the Christian God is big enough to take anything we or our children friends and relatives and neighbors throw at him We don't need to protect our faith or our God from society or from science And we don't need to deprive ourselves of the joy of asking questions

Beginnings of Faith and Science Ezra Morgan Wood,1903 **Religion As Myth** Peter Williams,2008-01 We all view the world from the individual stance we assume as a result of our social status education and culture None of us can see the whole picture at any one time for our minds are not constructed for that purpose Each time we look at a particular facet of any problem we do so from the position dictated by the ever changing requirements of our lives This book begins at the time when the first gene packages that were destined to become humankind developed awareness and thereafter traces the origins of faith and religion as it evolved through abuse and abusiveness into the monolithic confidence trick it presents to humankind today

The Rise and Fall of the Christian Myth Burton L. Mack,2017-01-01 A preeminent scholar explores the evolution of the Christian worldview and argues that it no longer offers a satisfactory vision for our democratic multicultural society This book is the culmination of a lifelong scholarly inquiry into Christian history religion as a social institution and the role of myth in the history of religions Mack shows that religions are essentially mythological and that Christianity in particular has been an ever changing mythological engine of social formation from Roman times to its distinct American expression in our time The author traces the cultural influence of the Christian myth that has persisted for sixteen hundred years but now should be much less consequential in our social and cultural life since it runs counter to our democratic ideals We stand at a critical impasse badly splintered by conflicting groups pursuing their own social interests a binding common myth needs to be established by renewing a truly cohesive national and international story rooted in our democratic and egalitarian origins committed to freedom equality and vital human values Provided by publisher Strivings for the faith: a ser. of lects. delivered under the auspices of the Christian evidence society Strivings,1874 *Strivings for the Faith. A Series of Lectures Delivered ... Under the Auspices of the Christian Evidence Society* Strivings,1874

Man, Myth, Messiah Rice Broocks,2016-03-01 Did Jesus Really Exist The search for the historical Jesus continues to be headline news Any speculative theory seems to get instant attention as the debate rages about His real identity and the claims made in His name Did Jesus really exist Is there real historical evidence that demonstrates that He lived and actually said and did the things the Gospels record Is there any validity to the speculative claims that the Jesus story was a myth borrowed from a variety of pagan cultures of the ancient world In this follow up to the book God s Not Dead that inspired the movie Man Myth Messiah looks at the evidence for the historical Jesus and exposes the notions of skeptics that Jesus was a contrived figure of ancient mythology It also looks at the reliability of the Gospel records as well as the evidence for the resurrection that validates His identity as the promised Messiah Man Myth Messiah will be released concurrent to the God s Not Dead movie sequel which will cover the same theme Greece: I. Legendary Greece. II. Grecian History to the Reign of Peisistratus at Athens George Grote,1899 *History as Myth* W. Taylor Stevenson,1969 *Slaying the Dragons* Allan Chapman,2013-03-07 In Slaying the Dragons professor and member of the Faculty of History at Wadham College Oxford Allan Chapman examines the claims of the New Atheists that religion really belongs to an earlier phase of human

development and that nowadays science has taken its place as the yardstick of authority But are science and religion friends or foes There are a great many scientists of the highest intellectual distinction ranging from cosmology to medical research who make no bones about their faith and cannot understand what the New Atheists are getting so worked up about Chapman explores whether anything has changed in the nature of scientific discovery to allow for the modern atheistic interpretations of science that did not exist in the past He also examines whether or not modern discoveries in biology brain science cosmology and physics seriously undermine religious belief In this study Allan Chapman examines popular misunderstandings about key events in the history of science faith relations He covers the major episodes such as Galileo's trial the Wilberforce Huxley debate and the Scopes trial of 1925 but also looks further back through the medieval period to the Classical age revealing how these events have acquired mythical and misleading status Asking if religious modern scientists just the fools that new atheists paint them to be or are the latter just so blind in their dogmatic brain washing that they cannot see the bigger world beyond their test tubes Slaying the Dragons exposes the atheists worn out tale which itself goes back centuries and which they are trying to spice up with big helpings of rhetoric and ridicule Faith and Reason
Halsey R. Stevens, 1879
