to use information technology to master their current or future jobs Students develop a working understanding of information systems and information technology and learn how to apply concepts to successfully facilitate business processes This course demonstrates that IT is the backbone of any business whether a student is majoring in accounting finance marketing human resources production operations management or MIS **The Times Index** ,2013-02 Indexes the Times Sunday times and magazine Times literary supplement Times educational supplement Time educational supplement Scotland and the Times higher education supplement *Britannica Book of the Year* ,2015 **The Digital Doctor: Hope, Hype, and Harm at the Dawn of Medicine's Computer Age** Robert Wachter,2015-04-10 The New York Times Science Bestseller from Robert Wachter Modern Healthcare s 1 Most Influential Physician Executive in the US While modern medicine produces miracles it also delivers care that is too often unsafe unreliable unsatisfying and impossibly expensive For the past few decades technology has been touted as the cure for all of healthcare s ills But medicine stubbornly resisted computerization until now Over the past five years thanks largely to billions of dollars in federal incentives healthcare has finally gone digital Yet once clinicians started using computers to actually deliver care it dawned on them that something was deeply wrong Why were doctors no longer making eye contact with their patients How could one of America s leading hospitals give a teenager a 39 fold overdose of a common antibiotic despite a state of the art computerized prescribing system How could a recruiting ad for physicians tout the absence of an electronic medical record as a major selling point Logically enough we ve pinned the problems on clunky software flawed implementations absurd regulations and bad karma It was all of those things but it was also something far more complicated And far more interesting Written with a rare combination of compelling stories and hard hitting analysis by one of the nation s most thoughtful physicians The Digital Doctor examines healthcare at the dawn of its computer age It tackles the hard questions from how technology is changing care at the bedside to whether government intervention has been useful or destructive And it does so with clarity insight humor and compassion Ultimately it is a hopeful story We need to recognize that computers in healthcare don t simply replace my doctor s scrawl with Helvetica 12 writes the author Dr Robert Wachter Instead they transform the work the people who do it and their relationships with each other and with patients Sure we should have thought of this sooner But it s not too late to get it right This riveting book offers the prescription for getting it right making it essential reading for everyone patient and provider alike who cares about our healthcare system **Bollywood Kitchen** Sri Rao,2017-11-07 You re invited to a party where the food and entertainment are both in Technicolor It s dinner and a movie in this vibrant beautifully photographed tour of Indian food and films Indian cuisine and Indian cinema known as Bollywood share much in common bold colors and flavors with plenty of drama But to the uninitiated they can seem dizzying Let Sri Rao be your guide As one of the only Americans working in Bollywood Sri is an expert on Indian musical films and as an avid cook he s taken his mom s authentic home cooked recipes and adapted them for the modern American kitchen The popularity of Indian food has grown

immensely in recent years and for good reason. It's perfectly suited for people who love bold flavors as well as those looking for vegan, vegetarian and gluten free meals that don't skimp on taste. But as Sri points out in *Bollywood Kitchen*, you've probably never tasted real Indian food. Home-cooked Indian American food is surprisingly simple to make using ingredients readily available in your local grocery store. In this book, you'll find dinner menus and brunch menus for kids and menus for cocktail parties. Along with each healthy and easy-to-prepare meal, Sri has paired one of his favorite Bollywood movies. Every one of these films is a musical packed with dazzling song and dance numbers that are the hallmark of Bollywood, beloved by millions of fans all over the world. Sri will introduce each film to you, explaining why you'll love it and letting you in on some juicy morsels from behind the scenes. *Bollywood Kitchen* is as much a beautiful coffee-table book as it is a cookbook, filled with gorgeous film photographs and colorful tablescapes. It's a unique treasure for Indian food lovers as well as fans of world cinema.
