**Marbles in My Underpants** ,2001 What s lurking under the bed Who s casting that shadow outside my window Common questions children ask themselves in the dead of night But what if instead of those rather innocuous queries the child asks things like What s inside this bunny that makes him move What if I put a raisin in a dead man s nose If I leave the paw of a deceased mole in the sun will it grow sprouts and fungus like potatoes This is the world of Ren e French who s independent comic book stories have been disturbing readers and provoking reactions since the early 90s Oni s hefty collection Marbles In My Underpants is the first major volume of her work to be published anywhere It s a comprehensive retrospective examining French s versatility and the spectrum of her career from the harsh early work in Grit Bath up to Corny s Fetish a touching tale of a lonely man and his desire for love Through horror psychedelia and ultimately a skewed approach to conventional storytelling French gets to the dark middle of the human psyche crafting a truly unique comic book experience    **Marbles in My Underpants** Renée French,Jim Woodring,2001 Ce volume r unit les bandes dessin es r alis es par Ren e French et publi s dans des journaux magazines et dans la s rie Grit Bath chez Fantagraphics Books Seattle

*Daddys Girls* Suzanne Gold,2000-11-17 Daddys Girls is a rich yet simple family tale of love madness and spirit told in the three first person points of view of its three women Overlapping vignettes create a vivid patchwork of lifes defining moments to reveal dark forces lurking beneath the familys typical middle class veneer as they struggle to love one another The story is

fiction with a dash of magical realism but the inspiration is autobiographical Daddys Girls recently received a glowing review from Terry Mathews of Bookbrowser.com. She calls it A book that will speak to you on many levels that can alter your perception of the world broaden your horizons and urge you to think outside the box. The best book I've read since Cunninghams THE HOURS And Ruth Williams author of Younger Than That Now says Daddys Girls is a luxuriant narrative telling the stories of three complex women two sisters and their mother and how their lives are impacted by the mental illness of one. A fascinating and obviously well informed look at heartbreakingly real realities. This is a book written from the heart.

**Spud - Exit, Pursued by a Bear** John van de Ruit, 2012-09-21 After an unexpected and diabolical farewell breakfast conversation with his father Spud Milton returns to boarding school for his 1993 Matric year his last as a schoolboy. Armed with a prefect's tie and a raging libido Spud soon discovers that being a large-ish fish in a small pond has its fair share of challenges. He finds himself embroiled in fighting for his own room directing a house play where both lead actors refuse to learn their lines and assisting Vern Blackadder's dramatic return from the dead with nothing more than a drip cord and a pair of oven gloves. Amid mounting pressure in the classroom and on the cricket field Spud prepares to face down the most feared and dreaded challenge of them all finding a date for the Matric dance. In this hilarious final instalment of the Spud series John van de Ruit brings to a close his savagely funny blow by blow account of the agonies of growing up. The embarrassments the thrills the defeats and the sheer absurdity of daily life are wittily recorded in Spud's unique voice as he prepares to make his own exit pursued by a bear.

**International Journal of Comic Art**, 2009

**Lonesome You** Park Wan-suh, 2013-09-26 Well before her death in 2011 Park Wan Suh had established herself as a canonical figure in Korean literature. Her work often based upon her own personal experiences and showing keen insight into divisive social issues from the Korean partition to the position of women in Korean society has touched readers for over forty years. In this collection meditations upon life in old age come to the fore at its best accompanied by great beauty and compassion at its worst by a cynicism that nonetheless turns a bitter smile upon the changing world.
