Roger Zelaznys To Rule In

Amber (HC) John Betancourt,2012-04-09 In the nationally bestselling Roger Zelazny s THE DAWN OF AMBER John Gregory

Betancourt began the epic exploration into how the world of Amber and all of its shadow worlds came into existence The young warrior named Oberon who is destined to found a dynasty and rule over Amber was rescued from attacking hell creatures by his father Dworkin and introduced to his brothers and sisters and his heritage as a Prince of the Courts of Chaos But the shadow world called Juniper the home of Dworkin and his kin came under deadly attack by unknown and overwhelming forces After sending the rest of the family to distant shadow worlds for their own safety Dworkin and Oberon and Oberon s half brother Aber traveled to the center of the known universe and the lair of their enemies the Courts of Chaos to put an end to the undeclared blood feud In TO RULE IN AMBER the story picks up when Oberon takes on the reins of leadership and he carves an empire from the new universe created by his father Enemies new and old lie in wait and creating a kingdom for himself and his heirs requires delicate political maneuvering a will of iron and the might of a born warrior Power mad siblings a madman for a father assassins and the King of Chaos are just the beginning of his troubles Oberon must learn to master them all if he is To Rule in Amber The more Oberon tries to do to clear the family name the worse the situation becomes until the mysteriously missing Dworkin Trumps into the scene and snatches him away Dworkin has no intention of trying to clear his name right now especially since he is a traitor having stolen the magical object known as the Jewel of Judgement This he needs to create a new equally powerful universe from which to oppose the Courts of Chaos the universe that will be known as Amber a universe built from magic will power and royal blood
