Fraijo,2023-06-29 Today I know that everyone is looking for answers and trying to find a way to solve the crucial season of our time in history We long for leadership and to be the ones that are right The news overwhelms us We are finding it harder to sleep and to know what to eat We have more questions than answers I wrote this book because I feel that this world needs a huge dose of love a love that endures and holds the truth It is also to fund my assignment Jardin De Suenos garden of dreams In my thoughts it goes like this Our days are filled with listening to the seminars and daydreaming with the people who come to find their purpose as to why they came to this realm and what they will give to it Three people would always be free to come to find their purpose and dreams teaching sustainability mission work and health issues We greet and listen to their dreams and we all work on the gardens in our prospective cottages as a choice And in the evening hours we gather to hold their purpose with love in our hearts for the highest good In the quiet hour is the garden of Vespers the Evening Star and this garden is silent Then we each return to our cottages as we dream together We connect in prayer and meditation This provides each individual with the support and insight into who they truly are Every month we would hold a different topic issue or class that they may find their purpose for coming We also use these grounds to come together for brainstorming sessions for the highest good of all There is an abundance of love kindness wisdom and courage to be and do Sweet dreams Blessings always Arleen R Fraijo      *Publications of the American Ethnological Society* American Ethnological Society,1919      *Ojibwa Texts Collected by William Jones* William Jones,1919      Littell's Living Age ,1898      *Primary Plans* ,1907      *Missionary Tidings* ,1912      Kindergarten and First Grade ,1925      **Cornell's Physical Geography** Sophia S.
