In doing so it examines the attempts of Turkey's ruling party AKP at social engineering and gradual Islamisation of the Turkish state and society by using informal Islamist laws. To that end the book argues that the AKP has paved the way for Islamist legal hybridity where society state and law are being gradually Islamised on an ad hoc basis. Informal law and legal pluralism in Turkey have had a non state characteristic which have permitted Muslims to solve disputes by seeking the opinions of religio legal scholars. Yet under the AKP rule this informal legal system has become increasingly dominated by conservatives sometimes radical Islamists which the governing party has taken advantage of by either formalizing some parts of the informal Islamist law or using it informally to mobilize its supporters against the opposition     *Black Friday Mastery: Secrets to Scoring the Best Deals Every Year* William Moore,2024-11-19 Black Friday Mastery Secrets to Scoring the Best Deals Every Year is your ultimate guide to navigating the biggest shopping event of the year with confidence strategy and savings like never before.
