He isn't supposed to even talk to a human, much less fall in love with one. Ryann Carroll has just run into the guy who saved her life ten years ago. You might think she'd be happy to see him again. Not exactly. She's a bit underdressed as in skinny dipping, and he's not supposed to exist. Lad knows the law of his people all too well. Don't get careless and don't get caught. It's allowed his race to live undetected in this world for thousands of years, mentioned only in flawed and fading folklore. Lad's never been able to forget about Ryann since that night ten years ago. When he sees her again, his fascination re-ignites and becomes a growing desire that tempts him to break all the rules. He isn't supposed to even talk to a human, much less fall in love with one. And the timing is atrocious. The Assemblage is coming, the rift between the Light and Dark is widening. Lad may have to trade his own chance at happiness to keep the humans, especially Ryann, blissfully ignorant and safe.
