

modern mythology is my favourite

- witches whose day jobs is treating ill people with “alternative” remedies like crystal healing and herbalism that actually work
- incubi and succubi who are models
- dryads and other nature spirits who are huge environmental activists
- schools designed for supernatural and magical creatures
- witch tattoo artists who secretly disguise protective runes into all their tattoos
- fair folk who sell potions at market stalls
- mermaid marine biologists
- normal humans that *somehow* come across dragon eggs and are trying to hatch it in their basement
- elf scholars who run libraries filled with books about magic
- werewolves running animal shelters
- safety runes graffiti on apartment blocks
