

Luiz Alves De Lima

William Dwight Whitney

Luiz Alves De Lima:

Luiz Alves De Lima Robert A. Hayes, 2001-12-01 This book is the culmination of over 40 years of research about a very fascinating individual who had a tremendous impact on the history of 19th Century Brazil Luiz Alves de Lima e Silva the Duke of Caxias Brazilian history is replete with attempts to capture the historical significance of the Duke of Caxias The following is a list of some of the titles given to Caxias in an attempt to capture his historical importance The Never Defeated General The Sustainer of Order The Iron Duke The Tertillary of the Republic The major military figure of Latin America Counselor of the State The Pacifier of the Army The Shield of Legality The Bandeirante of the Public Cause The Great Tranquil Hero The Admirable Warrior of the Empire The Restorer of Catholicism The Controller of Catastrophes The Greatest Figure in Brazilian History Champion of National Honor The bottom line for any attempt to do historical justice to Caxias may be the opinion of Osvaldo Orico when he wrote To tell the story of the life of Caxias is a work of a lifetime 1 As a military leader it was claimed that he was never defeated He brought with him political clear sightedness the gift of administration and the capacity for conciliation The same circumstances that saw the surge of the Brazilian state become head of the Portuguese Empire provided national political independence The implied political struggle provided conditions for Caxias to test his military calling 1 Osvaldo Orico O Condest vel do Imp rio Porto Alegre Edi oda Livraria do Globo 1933 7

Correspondence with the British Commissioners, at Sierra Leone, the Havana, Rio de Janeiro, and Surinam: From May 11th, to December 31st, 1840, inclusive ,1841 Brazilian Biographical Annual Joaquim Manuel de

Macedo, 1876 **Catalogue of Printed Books in the Library of the British Museum** British Museum. Department of Printed Books, 1891 **Catalogue of Printed Books** British Museum, 1891 *Legitimizing Violence: Military Operations*

Within Brazilian Borders David P. Succi Junior, 2025-08-25 The book challenges the main theoretical assumption on the military police distinction grounding works on contemporary military missions and security policies and provides tools to overcome the analytical hindrances posed by the traditional framework It is argued that the question to be asked to understand the deployment of the armed forces within national borders refers less to the identification of an essential police and military activity and more to how the process of proposing and accepting the use of force takes place That is how a particular use of the state s instruments of lethality is legitimized Legitimation is conceptualized as a communicative process in which a set of actors through discursive practices mobilize and articulate ideational resources within a particular social arrangement reinterpreting and articulating them to make sense of a particular situation and justify a course of action producing an apparent consensus The book presents an analytical framework to address processes of violence legitimation designed to provide a tridimensional view of the interplay between actors ideas and social arrangement dissecting how the line of the acceptable use of force is shaped and stabilized It is applied to Brazil specifically to three major military domestic operations Operation Rio 1994 1995 Operation Arcanjo 2010 2012 and Operation Rio de Janeiro 2017 2018 Brazil has a

history of internal military deployment and the selected operations are relevant in terms of troops number duration and publicity The book proceeds through the analysis of parliamentary sessions media coverage and public discourses uttered by presidents ministers and military leaders It is of interest to different readerships contributing to the debate on legitimacy and IR critical approaches to International Security Military Studies and Civil Military Relations It also provides an empirical contribution to scholars focused on Brazil Latin America and armed forces in the Global South Finally the research underpinning the book won the prize of best 2023 PhD dissertation in Political Science and International Relations in Brazil granted by the Brazilian Ministry of Education **British and Foreign State Papers** Great Britain. Foreign Office,1857
