CHAPTER 1

Q1: What does the angel announce to Zechariah while he is serving in the temple? What does the message, which God has chosen, represent? What can we learn from the message of Zechariah?

Q2: Why did Zechariah initially doubt the message from the angel? How did Zechariah respond to the angel's message when Gabriel gave his assurance of God's message?

Q3: God had already sent a series of angels to the prophet, Moses, to show him His understanding of God's plan. What aspects of God's plan does God reveal to the prophet here and how does this contribute to our understanding?

Q4: What does Zechariah's reaction say about his commitment and concern that what God has promised will be fulfilled? How does this relate to the coming of Jesus?

Q5: Why is Zechariah狐疑 about the visit from God? What message does God give in responding this way for the prophet?

Centers **A Thematic Access-Oriented Bibliography of Jesus's Resurrection** Michael J. Alter,2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection. Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus. The literature measures well over seven thousand sources in English language books alone. This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task. Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort. A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways. First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently. Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e.g. Christian, Jewish, Muslim, etc. agnostic and nontheistic. The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease.

Parallel Gospels in Harmony - with Study Guide David Reed,2009-06-01 PARALLEL GOSPELS IN HARMONY with STUDY GUIDE lets you read and study the four Gospels in parallel columns with corresponding passages side by side using the modern language World English Bible. It's also copyright free so that anyone can reproduce it. A disciple in the garden of Gethsemane cuts off the ear of the high priest's servant according to all four Gospels. But only John tells us the servant's name and that it was Peter who wielded the sword. And only Luke tells us that Jesus healed the wound. This book allows you to see all of this at a glance.

At every stage attention is paid to the range of questions New Testament interpretation raises historical, literary, theological with worked examples from specific passages. Topics of particular interest include What can be known about Jesus? Why are there four gospels? What is the Legacy of Paul? Does Revelation predict the End of the World?
