## **Lukes Twelve Eyewitnesses:**

**Luke's Twelve Eyewitnesses** Louise Banner-Welch, 2001-07-01     Jesus and the Eyewitnesses Richard Bauckham, 2008-09-22 Noted New Testament scholar Bauckham challenges the prevailing assumption the accounts of Jesus circulated as anonymous community traditions instead asserting that they were transmitted in the name of the original eyewitness     Jesus and the Eyewitnesses, 2nd ed. Richard Bauckham, 2017-04-28 A groundbreaking work in New Testament studies expanded and updated Winner of the 2007 Christianity Today Book Award in Biblical Studies this momentous volume argues that the four Gospels are closely based on the eyewitness testimony of those who personally knew Jesus Noted New Testament scholar Richard Bauckham challenges the prevailing assumption that the Jesus accounts circulated as anonymous community traditions asserting instead that they were transmitted in the names of the original eyewitnesses In this expanded second edition Bauckham is adding a new preface three substantial new chapters that respond to critics and clarify key points of his argument and a comprehensive new bibliography     *Science, Reason, and Faith* Fr. Robert Spitzer, SJ, 2023-09-18 Built into our very nature is a desire to know about the world around us The big questions of human existence are inescapable Who am I Why am I here and where am I going Why is there evil in the world What is the meaning of life This yearning for truth ultimately leads us to our Creator God knows the longings of the human heart and he reveals himself to us through creation through Scripture and ultimately through the Incarnation Because God the Son became man we have a person to look to in our pursuit of truth Jesus Christ himself who is Truth Christ helps us see that truth is not just the object of science and reason but what animates the mysterious and loving power of faith In *Science Reason and Faith* Fr Robert Spitzer SJ explores in depth the Bible and the intersection of three realms that the secular world tells us are separate and incompatible Fr Spitzer draws the modern reader's attention to the many seeming conflicts between science reason and Catholic teaching By tackling these difficult questions he shows that it is precisely through the integration of science reason and faith that we can truly discover ourselves our world and our God     *Luke among the Ancient Historians* John J. Peters, 2022-05-24 For centuries scholars have analyzed the composition of Luke Acts presupposing that the reference to many accounts in Luke's Preface indicates the written texts which served as the author's primary sources of information To justify this portrait of Luke as a text based author scholars have appealed to analogies with the text based authors Dionysius of Halicarnassus Diodorus Siculus Plutarch and Arrian Luke among the Ancient Historians challenges this portrait of Luke's method through surveying the origins and development of ancient Greek historiography in chapters on Herodotus Thucydides Polybius Josephus and Luke By focusing on the values and practices of ancient historians Peters demonstrates not only that ancient authors following the model of Thucydides regarded the testimony of eyewitnesses as opposed to texts as the proper sources for historians but that Luke emulated the values practices and craft terminology of the contemporary historiographical tradition Taking seriously the self presentation of Luke as a reporter of contemporary

events who claims to write on the basis of eyewitnesses from the beginning and personal investigation this book argues against analogies with text based historians who wrote about non contemporary events and instead situates Luke within a portrait of the values and practices of historians of contemporary events *Living Footnotes in the Gospel of Luke* Luuk van de Weghe,2023-08-29 Did Luke interview eyewitnesses to write his Gospel *Living Footnotes in the Gospel of Luke* provides a careful thorough examination of Luke s claims Luke 1 1 4 demonstrating that he not only claims to use living sources but also did so It builds a corroborative evidence case towards this end not merely by accumulating unrelated strands of evidence but by showing the interconnectedness of independent lines of subtle clues in Luke s text These historically rich unintentional features weave together to generate a robust impression upon the reader Luke not only relied on living informants but in fact sifted his sources in preference of eyewitness testimony **The Gospel According to Luke** James R Edwards,2020-05-21 This new Pillar commentary devotes attention throughout to the vocabulary historical background special themes and narrative purpose that make the book of Luke unique among the four Gospels Though the Gentile focus of Luke is often held to be primary James Edwards counterbalances that by citing numerous evidences of Luke s overarching interest in depicting Jesus as the fulfillment of the providential work of God in the history of Israel and he considers the possibility that Luke himself was a Jew Edwards also draws out other important thematic issues in excurses scattered throughout the commentary including discussion of Luke s infancy narrative the mission of Jesus as the way of salvation and Luke s depiction of the universal scope of the gospel This readable relevant commentary attends to the linguistic historical literary and theological elements of Luke that are essential to its meaning and considers Luke s significance for the church and the life of faith today **Luke** Robert H. Stein,1992 One in an ongoing series of esteemed and popular Bible commentary volumes based on the New International Version text Reminiscences of Jesus by an Eye-witness Henry Dewsbury Alves Major,1925 Notes on Luke's Gospel Timothy Horton Ball,1889 **A Critical and Exegetical Commentary on the Gospel According to St. Luke** Alfred Plummer,1902 *The Englishman's Critical and Expository Bible Cyclopaedia* Andrew Robert Fausset,1878 **The Freethinker** ,1913 *The Gospel according to st.
