**I was a Waif and Child Servant...** Joyce A. Robinson,2008-02 Joyce Ann Burke had a family like all others She found herself at age seven suddenly without any family Her parents separated in 1942 and divorced rare for that era Her mother had custody and left the children alone abandoned Joyce Ann was awarded to the court and they in turn incorporated her into the Hendricks County Indiana Welfare system She was a welfare child no parents no love and no home She was a textbook waif She was placed in the country farm home of a sixty one year old widow lady who owned a 110 acre working dairy farm You see the picture She was tiny for seven with snow white blond hair and blue eyes A total stranger she called Grandma would be her new mother of sorts Joyce Ann would be the little running legs for this sixty one year old guardian and essentially a child servant The white frame farm house was typical of a 1940 s farm home without electricity plumbing and central heat This household was totally self supporting from the farm Foods were grown there and preserved for winter Animals were butchered cows were milked hogs were slopped and fields were tended The days were not programmed for play Totally unaware she learned life s lessons and although sometimes reluctantly developed a powerful work ethic Fourteen years with Grandma produced a young woman who became her own person It was not easy and decisions she had to make many times were difficult and unfair for a child Joyce Ann could not afford to make mistakes Why She had no one and no where to go Mistakes were not possible and she knew it Well Grandma scared her to death and she walked the walk Thank you Grandma because Joyce Ann became a woman you would be proud to know today You will read a very happy ending of the story of Joyce Ann s life and how she flourished despite a lonely beginning She researched her family genealogy with intensity and found she really did have a family she never shared In short she found peace and grateful thanks

*Walking Blind* Tom Rudloff,2016-10-03 The morning brought a new question would anything be different Well I was still in the shed wearing worn rags and feeling the effects of Cains wrath But my perspective was different I rolled out of bed slowly painfully but with a new outlook My robotic attitude had been replaced by a renewed determination I knew it was my choice if things were going to go differently If I chose that path I knew God would help me Somehow I also knew he didnt want me in this place anymore than I wanted to be here This was possibly a new day and the choice was mine

**No Free Lunch** Rodney J. Carroll, Gary Karton, 2002

Everyone who is successful regardless of age race or ethnicity at some point in their lives received an opportunity Someone believed in them enough to give them a chance These are the words of Rodney Carroll one of America s most innovative minds and a leading architect of the welfare to work movement They encapsulate his inspiring memoir No Free Lunch the story of a man who rose to the top and returned to bring millions of people along with him Raised in an area both economically and emotionally depressed Rodney and his siblings were forced onto welfare after Rodney s alcoholic and abusive mother was declared unfit to raise her children Though lured by gangs that aimed to draft him into their midst he clung instead to his wise and loving grandmother and his innate desire to make a difference A part time job as a truck loader for UPS would change Rodney s life forever and eventually change the lives of others who were looking for a chance to work By improving the efficiency of others at UPS Rodney was rewarded with promotions By balancing his successes and setbacks applauding others accomplishments and disciplining not humiliating he learned how to manage men and women lead departments and at last to lift up others who started out as humbly as he had Putting his own job on the line Rodney created a program to employ welfare recipients at UPS a plan that would become a model for others across the country Initially derided by others as those people these new workers responded to Rodney s faith in them and their new self esteem led to new self sufficiency Written with vigor and humor No Free Lunch is a testament to one man s tenacity and compassion a sweeping story that starts in a slum and ends on a stage shared with President Clinton a stirring book about one American s fight for the independence of millions
