## Lure Of The Labrador:

**The Lure of the Labrador Wild** Dillon Wallace, Leonidas Hubbard, 1905 Dillon Wallace 1863 1939 was an American lawyer outdoorsman author of non fiction fiction and magazine articles His first book The Lure of the Labrador Wild 1905 was a best seller as were many of his later books In 1900 Dillon Wallace met Leonidas Hubbard an assistant editor with Outing magazine 1 Hubbard asked Wallace to join him on an exploratory trip through Labrador the plan was to follow the Naskaupi River to Lake Michikamau a region that had yet to be explored by Europeans They departed in July 1903 but took the wrong river from the very start following the much smaller and more difficult Susan River Short on supplies with winter coming on Hubbard became ill and died of starvation Wallace made it back alive [Wikiped June 2014](#) [The Lure Of The Labrador Wild](#) Dillon Wallace, 2023 Together with their Indian tour guide George Elson Leonidas Hubbard and Dillon Wallace set out in 1903 to explore a part of Labrador that had not yet been thoroughly explored by Europeans They followed the Susan Valley instead of the Nascaupi River River in their quest to investigate Lake Michikamau which led them into the heart of Labrador and onto a course for which they were unprepared The three guys immediately discovered that their adventure was rapidly turning into a battle for their lives as the chilly winter winds began to blow I was engrossed in this book and wondered how anyone could have made it through this ordeal It is nice to read of Dillon s courage and strength Incredibly they didn t grumble despite having to carry 100 pound loads of gear and a canoe while eating little to no food and walking through snow in only moccasins They also lifted each other s spirits by sharing bible tales and anecdotes about their homes [The Lure of the Labrador Wild](#) Dillon Wallace, 1905 [The Lure of the Labrador Wild](#) Dillon Wallace, Leonidas Hubbard, 2018-10-10 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant [The Lure of the Labrador Wild](#) Dillon Wallace, 2021-04-22 the lure of the labrador wild From Dillon Wallace

e we knew Hubbard never knew. A perceptible current a questioning word the turn of a paddle would have set us right. No current was noticed no word was spoken and the paddle sent us straight toward those blue hills yonder where Suffering and Starvation and Death were hidden and waiting for us. How little we expected to meet these grim strangers then. That July day came back to me as if it had been but the day before I believe I never missed Hubbard so much as at that moment I never felt his loss so keenly as then. An almost irresistible impulse seized me to go on into our old trail and hurry to the camp where we had left him that stormy October day and find if he were not after all still there and waiting for me to come back to him. Labrador Wild that pledge was kept to the best of my ability While Hubbard and I were struggling inland over those desolate wastes where life was always uncertain we entered into a compact that in case one of us fall the other would carry to completion the exploratory work that he had planned and begun Providence willed that it should become my duty to fulfil this compact and the following pages are a record of how it was done Not I but Hubbard planned the journey of which this book tells and from him I received the inspiration and with him the training and experience that enabled me to succeed It was his spirit that led me on over the wearisome trails and through the rushing rapids and to him and to his memory belong the credit and the honor of success     [The Lure of the Labrador Wild, Vol. 6](#) Dillon Wallace,2015-07-04 Excerpt from The Lure of the Labrador Wild Vol 6 The Story of the Exploring Expedition Conducted by Leonidas Hubbard Three years have passed since Hubbard and I began that fateful journey into Labrador of which this volume is a record A little more than a year has elapsed since the first edition of our record made its appearance from the press Meanwhile I have looked behind the ranges Grand Lake has again borne me upon the bosom Of her broad deep waters into the great lonely wilderness that lured Hubbard to his death About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
