The image shows a close-up of a building's facade. At the top, there are three stone carvings: a lion on the left, a central emblem featuring a caduceus (a staff with two snakes entwined and wings at the top) flanked by two birds, and another lion on the right. Below these carvings are three arched openings. The central arch is the largest and contains the text 'A City in the Crosscurrents of Culture'. The arches are supported by thick, square columns.
