Neo-Victorian Literature and Culture Nadine Boehm-Schnitker, Susanne Gruss, 2014-06-05 This book provides a comprehensive reflection of the processes of canonization un pleasurable consumption and the emerging predominance of topics and theoretical concerns in neo Victorianism The repetitions and reiterations of the Victorian in contemporary culture document an unbroken fascination with the histories technologies and achievements as well as the injustices and atrocities of the nineteenth century They also reveal that in many ways contemporary identities are constructed through a Victorian mirror image fabricated by the desires imaginings and critical interests of the present

Providing analyses of current negotiations of nineteenth century texts discourses and traumas this volume explores the contemporary commodification and nostalgic recreation of the past It brings together critical perspectives of experts in the fields of Victorian literature and culture contemporary literature and neo Victorianism with contributions by leading scholars in the field including Rosario Arias Cora Kaplan Elizabeth Ho Marie Luise Kohlke and Sally Shuttleworth Neo Victorian Literature and Culture interrogates current fashions in neo Victorianism and their ideological leanings the resurrection of cultural icons and the reasons behind our relationship with and immersion in Victorian culture CRC World Dictionary of Medicinal and Poisonous Plants Umberto Quattrocchi,2016-04-19 Written as a reference to be used within University Departmental Public Institutional Herbaria and Arboreta libraries this book provides the first starting point for better access to data on medicinal and poisonous plants Following on the success of the author s CRC World Dictionary of Plant Names and the CRC World Dictionary of Grasses the author provides the names of thousands of genera and species of economically important plants It serves as an indispensable time saving guide for all those involved with plants in medicine food and cultural practices as it draws on a tremendous range of primary and secondary sources This authoritative lexicon is much more than a dictionary It includes historical and linguistic information on botany and medicine throughout each volume

Journal of Soil and Water Conservation ,2013 Vol 25 no 1 contains the society s Lincoln Chapter s Resource conservation glossary **Who's who in American Law** ,2007 **Insect Physiology and Biochemistry** ,2008-04-18 Expanded and updated this second edition of a bestselling book challenges conventional entomological wisdom with the latest research and analytical interpretations Encouraging independent evaluation of the data and allowing for the extrapolation of major concepts across species this indispensable text establishes a thorough understanding of the Pearls of Glaucoma Management JoAnn A. Giaconi,Simon K. Law,Anne L. Coleman,Joseph Caprioli,2010-03-02 If you have ever uttered the commonly expressed lament Glaucoma is so confusing then this text is for you You will no longer be bewildered Why practitioners may be confused about how to be of help to patients with glaucoma in its many incarnations and reincarnations is easily understood The issue seems to be overwhelming when one considers that the already massive population of those with glaucoma is increasing rapidly as the world s population increases and ages During the past 50 years the fundamental definition of glaucoma has changed almost 180 and the indications for treatment have become more variable and controversial some advising early therapy and others strongly cautioning against such an approach Various diagnostic tests have come and gone and are interpreted in such different ways that there seems to be no consensus surgical techniques come in and out of fashion in perplexing ways There seems to be a constantly shifting sandy foundation on which are built unsteady schools of ever varying advice Why practitioners patients and the public are often bewildered is understandable
