Between Kings W.R. Gingell, 2021-12-31 G day I m Pet Heirline Biter of fae lords Trouble I have a lot of names these days including my own real name Unfortunately for me someone else knows that name too not to mention the names of my other heirline friends Now those heirline friends have disappeared stolen by the current King Behind for a fight to the death where only one contender to the throne remains The rules say there's no way in and only one way out of that fight but I've always preferred to work outside the rules I just have to trust my friends to help each other stay alive long enough for me to get them out without becoming a contender for the throne myself Because one thing is for sure I am absolutely not planning on being the next King Behind
