**Conversations with John Fowles** Dianne L. Vipond, 1999 Although best known for his novels *The Collector* and *The Magus* and *The French Lieutenant's Woman*, John Fowles is also a short story writer, a poet, a respected translator, and a prolific essayist. In his long literary career, he has managed the feats of welding stunning innovation to tradition, pushing the formal boundaries of literary fiction and still capturing critical acclaim, popular success, and a worldwide readership. In *Conversations with John Fowles*, the first book of interviews devoted to the English writer, Dianne L. Vipond gathers over twenty of the most revealing interviews Fowles has granted in the last forty years. With critics, scholars, and journalists, he discusses his life, his art, his distinctive world view, and his special relationship with nature. Throughout his interviews, Fowles's remarkable consistency of thought is illuminated as he covers the meaning and genesis of his work. His uncompromising honesty and refreshing lack of guardedness are evident when he compares the naturalness of writing with eating or making love. From the 1960s through the 1990s, this master chronicler of the late half of the twentieth century reveals his serious engagement with social, political, and philosophical issues. He identifies himself with feminism, socialism, humanism, and the environmental movement, and he explores his recurring theme of personal artistic and socio-political freedom. His books, he says, are about the difficulty of attaining personal freedom, especially in terms of discovering what one is. Any reader who has been intrigued, challenged, and entertained by his work in the past is sure to find these conversations spanning the writer's career to be stimulating and revealing. Dianne L. Vipond is a professor of English at California State University, Long Beach. A co-editor of the book *Literacy, Language, and Power*, she has published articles in *English Journal*, *Short Story*, *Twentieth-Century Literature*, and the *Los Angeles Times*.      **John Fowles** James R. Aubrey, 1991-11-21 John Fowles, best known as the author of *The French Lieutenant's Woman*, has also written numerous other works of fiction as well as nonfiction. This unique reference book by James R. Aubrey lists all of Fowles's writings for the first time. It also provides a detailed biography, criticism of his work from the perspective of various disciplines, explanatory notes, a census of characters, and a comprehensive bibliography. Aubrey begins with a biography of Fowles based on information from his writings, published and personal interviews, and correspondence. This section also includes several photographs. The next section discusses Fowles's lesser-known nonfiction work by genre: philosophy, autobiography, biography, translations, book reviews, literary and visual art criticism, history, and social commentary. Aubrey then pulls together the fiction of John Fowles in the order it was published. For each novel or short story, Aubrey provides a description of the circumstances and process of composition, summarization,

discussion of its public reception and critiques of the film television or stage adaptations Critical approaches to Fowles s fiction are covered next biographical psychological post structuralist historicist feminist reader response and formalist The notes census of characters and extensive bibliography complete this reference companion Aubrey s book will be useful for those studying Fowles and his work and will be an excellent addition to public and academic libraries **The Tree** John Fowles,2010-09-28 The classic meditation on creativity and the natural world For years I have carried this book with me on travels to reread ponder envy In prose of classic gravity precision and delicacy Fowles addresses matters of final importance W S Merwin Los Angeles Times Book Review The Tree is the fullest and finest exploration I ve ever read of how the useless delights to be discovered in nature can ripen into the practice of art Lewis Hyde author of The Gift First published a generation ago The Tree is renowned English novelist John Fowles s provocative meditation on the connection between the natural world and human creativity and a powerful argument against taming the wild In it Fowles recounts his own childhood in England and describes how he rebelled against his Edwardian father s obsession with the quantifiable yield of well pruned fruit trees and came to prize instead the messy purposeless beauty of nature left to its wildest The Tree is an inspiring even life changing book one that reaffirms our connection to nature and reminds us of the pleasure of getting lost the merits of having no plan and the wisdom of following one s nose wherever it may lead in life as much as in art This special 30th anniversary edition includes an introduction by Barry Lopez Liverpool and Manchester Photographic Journal ,1911
