Lynched Man:

100 Years of Lynchings Ralph Ginzburg, 1996-11-22 The hidden past of racial violence is illuminated in this skillfully selected compendium of articles from a wide range of papers large and small radical and conservative black and white Through these pieces readers witness a history of racial atrocities and are provided with a sobering view of American history

The Lynching Tree Michael Stein, 2016-02-16 A white man has been lynched two months before twenty three year old Donald Gambell returns to his New Jersey hometown As the first black member of the police force Gambell learns the routines of his new work the traffic stops and domestic quarrels the bullying and bragging from his partner Frank Butras who refuses to discuss the murder that has left the town shaken For Gambell life near his father and sister is familiar in both its comforts and confusions but his home has changed in ways he finds difficult to understand *The Lynched Man* J.R. Roberts, NO NOOSE IS GOOD NOOSE Hoping to find a replacement for his now retired horse Duke Clint Adams heads to Minnesota where an old friend has promised him just the animal he needs But once he gets there his friend seems to have vanished And when Clint starts looking for him someone makes it violently clear that his presence is not wanted It turns out that his friend was strung up by a lynch mob out to avenge a young girl s murder at least that s the way it s meant to look The more he investigates the more the Gunsmith knows that something rotten is at work And the closer he gets to the culprits who lynched his pal the tighter the rope around his own neck gets *Lynchings in Kansas, 1850s-1932* Harriet C. Frazier, 2015-01-28 In 1933 Genevieve Yost Kansas State Historical Society cataloger published a History of Lynching in Kansas The present book is a development of that work researched with the benefit of modern technology The author locates 58 lynchings Yost missed and removes 19 from her list that for various reasons are not lynchings in Kansas Yost apparently catalogued her 123 entries some containing up to six names based on her newspaper sources headlines not the actual stories on the lynchings Her catalog places some events in counties that did not exist at the time of the lynching In this book errors in her data are corrected misspelled names incorrect places and dates and the number of victims per incident In agreement with Yost the author finds that most of the victims were white men who were horse thieves their deaths taking place in the eastern tier of counties bordering Missouri an area then and now where most Kansans lived The last lynching in Kansas took place in 1932 in the extreme northwest of the state and an interview of an eyewitness is included *Imagery of Lynching* Dora Apel, 2004 Outside of the classroom and scholarly publications lynching has long been a taboo subject Nice people it is felt do not talk about it and they certainly do not look at images representing the atrocity In *Imagery of Lynching* Dora Apel contests this adopted stance of ignorance Through a careful and compelling analysis of over one hundred representations of lynching she shows how the visual documentation of such crimes can be a central vehicle for both constructing and challenging racial hierarchies She examines how lynching was often orchestrated explicitly for the camera and how these images circulated on postcards but also how they eventually were appropriated by antilynching forces and artists from the

1930s to the present She further investigates how photographs were used to construct ideologies of whiteness and blackness the role that gender played in these visual representations and how interracial desire became part of the imagery Offering the fullest and most systematic discussion of the depiction of lynching in diverse visual forms this book addresses questions about race class gender and dissent in the shaping of American society Although we may want to avert our gaze Apel holds it with her sophisticated interpretations of traumatic images and the uses to which they have been put **Mutual**
