a remote and spartan existence at West Nethercote a farm in the heart of Exmoor national park Alas Poor Johnny written some ten years later is her vivid and fascinating account of their life there and of farming on Exmoor in the fifties told with a strong sense of drama and of the absurd The void left by her lost cultural and social pursuits becomes filled by the minutiae of everyday life and by her husband Johnny and their four children Above all it is filled by the animals These take the place of absent friends in her affections their personalities permeating the book There is a small but strong supporting cast including busybody Mrs Stevens at the next door farm Arthur the ex cowman who moves with them from Surrey SRN Tommie the butt of an aggressive ram and Alby the rabbit catcher who plays the mouth organ and dances wild dances enchanting the children Finally threading through all this with a glint of steel is Johnny He is her antithesis strong and undemonstrative generally preferring animals to people Their relationship is the heart of the book Alas Poor Johnny is a first hand account of life on a farm in the 1950s written at the time but reading with the freshness of the present It will appeal to anyone whether interested in Exmoor and old farming practices a lover of the countryside and of animals or just wanting to cheer themselves up with a good story well told It is a delight to read hugely funny and at times touching Buster and Johnny spent the rest of their lives at Nethercote She died in 1987 without ever publishing her book Her daughter Birdie who herself lived there for many years has now done so on her behalf Boris Johnson Buster s grandson has written a foreword

A Walk by the Sea

John Brant Chatterton,2016-09-19 The British coast is where journeys begin and where journeys end where sun rises and where sun sets In John Chatterton s A Walk by the Sea John tells the story of his journey from Land s End to circumnavigate an island with a longer coastline than France or India with an infinite variety of landscapes seascapes and cultures After having always wanted to walk the coastline of Great Britain and returning to normality after the foot and mouth epidemic was declared over in 2001 John started his epic journey around Great Britain He quickly realised that this was not just a walk and this book is certainly not a walker s handy guidebook to the periphery of Blake s green and pleasant land but something much deeper and meaningful For John walking gets the most out of travel but this was a journey not a walk The journey is a reflection of Britain in the first millennium of the 21st century its events its places and its people Walking unlike other forms of travel allows time for expansion of thoughts and ideas and reflections on life and times This journey uses Britain as a backdrop to explore philosophical social political geographical and cultural issues that spring to mind on the way Although these thoughts and ideas are physically separate from the journey John explains how they are also a deeply intrinsic part of it too A Walk by the Sea is much more than a usual guidebook but instead is a psycho geographical journey around the Great British coastline in the first decade of the new millennium comments John

We Are Family

Emlyn Rees,Josie Lloyd,2013-02-07 In affairs of the heart how far can family loyalties be stretched before they snap When Laurie Vale receives a phone call out of the blue from an aunt she never knew existed she soon discovers that everything she ever believed about her family is a lie Fifty years earlier in the idyllic coastal village of Stepmouth a forbidden love affair and a devastating flood

drove the Vale family apart but now her aunt is determined that Laurie should know the truth Laurie escapes to the balmy warmth of Majorca only to find the hopes and passions buried in the past resurfacing in the present But the more she seeks to heal old wounds the more she becomes ensnared in a complex love affair of her own One that could destroy her family for good A wonderfully entertaining novel about love family and the secrets that lie just beneath the surface **The Violent Earth** Frank Walter Lane,1986 A wave a third of a mile high men and animals levitated a lightning ball that shattered a church these and many other true incidents are recounted in this book which presents Nature in its most violent moods The phenomena covered range from wind and hail storms lightning and floods to the devastation wrought by earthquakes and volcanoes There is also a chapter on meteoroids those visitants from outer space that sometimes plunge through the atmosphere smashing into the earth with the force of a thousand atom bombs *The Engineer* ,1954 *God Save the Queen!* Peter Street,2002 This is a wide ranging and fascinating insight into British life fifty years ago **The Municipal Journal, Public Works Engineer and Contractors' Guide** ,1960
