Lytton Strachey The New Biography:

Lytton Strachey Michael Holroyd, 1995 When Michael Holroyd's life of Strachey appeared in 1967 it changed the course of modern biography setting a new standard for the recounting of literary lives and launching the enduring Bloomsbury revival In the 1960s however many of Strachey's friends and lovers were still alive much could not be said and access to letters and resources was restricted Since then almost all his circle has died and homosexuality in England has been decriminalized In telling Strachey's life anew Holroyd has drawn on a wealth of previously unavailable material bring fresh candor and accuracy to his account of Strachey's friendships with E M Forster Virginia and Leonard Woolf Duncan Grant and Vanessa Bell Ralph and Frances Patridge and his companion Dora Carrington among others In many of Bloomsbury's three cornered relationships Holroyd could lay claim to only two sides of the triangle Now he has all three with which to recount the story of this extraordinary man and his complex world At the center of the drama is the long lasting relationship between Strachey and Carrington and their Triangular Trinity of Happiness with Ralph Partridge In equally elegant and humorous prose Holroyd shows the parts that many men and women played in this comedy of manners as it developed into a tragedy

Bloomsbury on the Mediterranean is how Vanessa Bell described France in a letter to her sister Virginia Woolf. Remarking on the vivifying effect of Cassis, Woolf herself said I will take my mind out of its iron cage and let it swim. Complete heaven I think it. Yet until now there has never been a book that focused on the profound influence of France on the Bloomsbury group. In *Bloomsbury and France: Art and Friends*, Mary Ann Caws and Sarah Bird Wright reveal the crucial importance of the Bloomsbury group's frequent sojourns to France, the artists and writers they met there, and the liberating effect of the country itself. Drawing upon many previously unpublished letters, memoirs, and photographs, the book illuminates the artistic development of Virginia and Leonard Woolf, Clive Bell, David Garnett, E. M. Forster, Lytton Strachey, Dora Carrington, and others. The authors cover all aspects of the Bloomsbury experience in France, from the specific influence of French painting on the work of Roger Fry, Duncan Grant, and Vanessa Bell to the heady atmosphere of the medieval Cistercian Abbaye de Pontigny, the celebrated meeting place of French intellectuals where Lytton Strachey, Julian Bell, and Charles Mauron mingled with writers and critics to the relationships between the Bloomsbury group and Henri Matisse, Pablo Picasso, Gertrude Stein, André Gide, Jean Marchand, and many others. Caws and Wright argue that Bloomsbury would have been very different without France; that France was their anti-England, a culture in which their eccentricities and aesthetic experiments could flower. This remarkable study offers a rich new perspective on perhaps the most creative group of artists and friends in the 20th century.

The Letters of Lytton Strachey Lytton Strachey, 2005 This new selection of Strachey's letters is a whole new chapter in the history of the last century. Lytton Strachey, 1880-1932, is one of the key figures in the cultural life of 20th-century Britain, and his letters are a literary treasure trove of the man and his world, as well as a record of the startling and poignant love affair between him and the painter Dora Carrington. The breadth of his correspondence is breathtaking, going from precocious childhood letters to letters to Leonard and Virginia Woolf, Maynard Keynes, and other members of the Bloomsbury Group, to love letters to Duncan Grant and Carrington. The thousands of letters he wrote retain their vitality to this day, discussing changes in morals, the writing of history, literature, and philosophy, politics, war, and peace, and the advent of modernism. Twentieth-century Literature Alfred Charles Ward, 1928 **Vanity Fair**, 1921 Queen Victoria Lytton Strachey, 1921 Lytton Strachey's acclaimed portrayal of Queen Victoria revolutionised the art of biography by using elements of romantic fiction and melodrama to create a warm, humorous, and very human portrait of this iconic figure. We see Victoria as a strong-willed child, with a famous temper, as the 18-year-old girl queen, as a monarch, wife, mother, and widow. Equally fascinating are the depictions of her relationships with her governess, Precious Lehzen, with Peel, Gladstone, and Disraeli, with her beloved Albert, and in later life, her legendary devotion to her Highland servant John Brown.
