M.J. Walter Stewart,2000      **Revival and Change** John C. Courtney,2022-11-01 Revival and Change is a compelling account of the elections accomplishments challenges failures and ultimate end of the Diefenbaker era The Liberals had been in office for two decades when the 1957 election was called and were widely expected to win another majority government But new Conservative leader John Diefenbaker completely overshadowed his opponents Highlighting Liberal arrogance Diefenbaker seized the opportunity that television and boisterous supportive rallies offered to present his vision of a new Canada He was ultimately victorious A second election in 1958 resulted in a landslide victory with the Liberals reduced to their smallest number of seats since Confederation the CCF reduced to eight seats and losing its leader and Social Credit wiped out completely It was a rout never before seen in Canadian history Revival and Change is the story of those elections the government and opposition they produced the issues that defined the government and the era s legacy in Canadian politics and society      *Visionaries, Crusaders, and Firebrands* Lynn Gidluck,2012-03-27 As an idealist and a visionary Jack Layton connected with millions of Canadians who saw that he was a different kind of political leader So did Tommy Douglas chosen as the greatest Canadian ever by CBC s television audience The New Democratic Party and its predecessor the CCF have often chosen leaders who resonated with the Canadian public In fact the vision and the ideals of the leaders of the NDP and the CCF have been key to its strength and appeal Their commitment to these values in their personal as well as their political lives has earned them admiration and support far beyond the votes they have attracted at election time Even though these politicians have never succeeded in forming a government in Ottawa they are seen to stand for values the whole country cherishes As a historian Lynn Gidluck noted that the story of the CCF NDP has often focused on events policies programs and electoral campaigns In this book her emphasis is on the leaders who have defined the party its vision and its policies This tradition of selecting distinguished leaders who share and refine a vision of a better Canada is as important as the policies they have promoted By focusing on leaders this book offers fresh insight into the NDP and its appeal to Canadians      **Tommy Douglas and the Quest for Medicare in Canada** Gregory Marchildon,2024-11-30 How and why was universal health coverage implemented so early in a poverty stricken province in Canada Why was its design so faithfully replicated in the national standards that ultimately shaped Medicare across the rest of Canada Seeking to answer these questions Tommy Douglas and the Quest for Medicare in Canada explores the history of universal health care through the life of Canadian politician Tommy Douglas identifying the pivotal moments and decisions that led to the establishment of Medicare in Canada The book traces the origins of Medicare back to the 1930s Depression and its devastating impact on the Prairie populations Marchildon examines how Tommy Douglas and a new generation of reformers radicalized by the Depression prioritized socialized health care The book reveals how as the provincial party leader Douglas leveraged support from both local and external allies to rapidly implement universal hospital insurance and lay the groundwork for a new health

system Despite strong opposition from physician and business lobbies Douglas continued to pressure the government for federal cost sharing of universal health coverage Drawing on archival sources including speeches television broadcasts and cabinet documents Tommy Douglas and the Quest for Medicare in Canada illuminates how Douglas s vision leadership and coalition building among unions were crucial to the successful establishment of Medicare in Canada *King* Allan Gerald Levine,2011 Advance Praise for King Here we have Allan Levine one of the aces of Canadian historical chronicles channelling Mackenzie King And what a story they have to tell our longest serving prime minister getting advice from his dog and having two way conversations with his long dead mother If Canadian history was ever dull it isn t now Get this book Book jacket
