MICHAEL COX

M R James An Informal Portrait

Patrick J. Murphy

M R James An Informal Portrait:

M.R. James Michael Cox,1983 *The Weird Tale* S. T. Joshi,2003-01-01 The leading critic of supernatural literature here examines the roots of the weird tale as Lovecraft called it through detailed examinations of five founding fathers of the genre Arthur Machen Lord Dunsany Algernon Blackwood M R James and H P Lovecraft The result is a thorough study of the art craft philosophy and aesthetics of an enduring genre of fantastic literature **The Victorian Ghost Story and Theology** Zoe Lehmann Imfeld,2016-07-27 This book argues that theology is central to an understanding of the literary ghost story Victorian ghost stories have traditionally been read in the context of agnosticism as stories which reveal a society struggling with Christian orthodoxy in a new Enlightened world This book however uses theological ideas from St Augustine through to modern theologians to identify a theological journey taken by the protagonists of such stories and charts each stage of this journey through the short stories it examines It also proposes a theory of reader participation which creates an imaginary space in which modern epistemology is suspended The book studies the work of four major authors of the supernatural tale Arthur Machen M R James Sheridan Le Fanu and Henry James *Complete Ghost Stories* Montague Rhodes James,2007 0000000000 In another infinitesimal flash he had taken it in Pale dusky skin covering nothing but bones and tendons of appalling strength coarse black hairs longer than ever grew on a human hand nails rising from the ends of the fingers and curving sharply down and forward grey horny and wrinkled He flew out of his chair with deadly inconceivable terror at his heart The art of telling a ghost story is a refined one and Montague Rhodes James was a master of it With gentle cunning he draws the reader into a narrative that at first seems innocuous but which by gentle turns becomes darker and darker until he transfixes you with his prose creating the most unforgettable alarming and frightening images This volume contains all his timeless masterpieces from the four collections of his eerie tales Ghost Stories of an Antiquary 1904 More Ghost Stories of an Antiquary 1911 A Thin Ghost and Others 1919 A Warning to the Curious and Other Ghost Stories 1925 With an Afterword by David Stuart Davies *Libraries in Literature* Alice Crawford,Robert Crawford,2022-09-01 Unashamedly a book for the bookish yet accessible and frequently entertaining this is the first book devoted to how libraries are depicted in imaginative writing Covering fiction poetry and drama from the late Middle Ages to the present it runs the gamut of British and American literature as well as examining a range of fiction in other languages from Rabelais and Cervantes to modern and contemporary French Italian Japanese and Russian writing While the tropes of the complex catalogue and the bibliomaniacal reader persist throughout the centuries libraries also emerge as societal battle sites where issues of personality gender cultural power and national identity are contested repeatedly and often in surprising ways As well as examining how libraries were deployed in their work by canonical authors from Cervantes Shakespeare and Swift to Jane Austen George Eliot and Jorge Luis Borges the volume also examines in detail the haunted libraries of Margaret Oliphant and M R James and a range of much less familiar historic and contemporary authors Alert to the depiction of

librarians as well as of book rooms and institutional readers this book will inform entertain and delight At a time when traditional libraries are under pressure Libraries in Literature shows the power of their lasting fascination *The Legacy of M. R. James* Lynda Dennison,2001 *God & the Gothic* Alison Milbank,2018-10-18 God and the Gothic Romance and Reality in the English Literary Tradition provides a complete reimagining of the Gothic literary canon to examine its engagement with theological ideas tracing its origins to the apocalyptic critique of the Reformation female martyrs and to the Dissolution of the monasteries now seen as usurping authorities A double gesture of repudiation and regret is evident in the consequent search for political aesthetic and religious mediation which characterizes the aftermath of the Glorious Revolution and Whig Providential discourse Part one interprets eighteenth century Gothic novels in terms of this Whig debate about the true heir culminating in Ann Radcliffe s melancholic theology which uses distance and loss to enable a new mediation Part two traces the origins of the doppelgänger in Calvinist anthropology and establishes that its employment by a range of Scottish writers offers a productive mode of subjectivity necessary in a culture equally concerned with historical continuity In part three Irish Gothic is shown to be seeking ways to mediate between Catholic and Protestant identities through models of sacrifice and ecumenism while in part four nineteenth century Gothic is read as increasingly theological responding to materialism by a project of re enchantment Ghost story writers assert the metaphysical priority of the supernatural to establish the material world Arthur Machen and other Order of the Golden Dawn members explore the double and other Gothic tropes as modes of mystical ascent while raising the physical to the spiritual through magical control and the M R James circle restore the sacramental and psychical efficacy of objects **British Short-fiction Writers, 1880-1914** William F. Naufftus,1996 Information on the lives and works of some of the outstanding British writers who published short fiction in the romantic tradition during the years 1880 1914 *Short Story Criticism* Jessica Bomarito,2006-10 Presents literary criticism on the works of short story writers of all nations cultures and time periods Critical essays are selected from leading sources including published journals magazines books reviews diaries newspapers pamphlets and scholarly papers Medieval Studies and the Ghost Stories of M. R. James Patrick J. Murphy,2017-02-28 Montague Rhodes James authored some of the most highly regarded ghost stories of all time classics such as Oh Whistle and I ll Come to You My Lad that have been adapted many times over for radio and television and have never gone out of print But while James is best known as a fiction writer and storyteller he was also a provost of King s College Cambridge and Eton College and a legendary and influential scholar whose pioneering work in the study of biblical texts and medieval manuscripts art and architecture is still relevant today In Medieval Studies and the Ghost Stories of M R James Patrick J Murphy argues that these twin careers are inextricably linked James s research not only informed his fiction but also reflected his anxieties about the nature of academic life and explored the delicate divide between professional university men and erratic hobbyists or antiquaries Murphy shows how detailed attention to the scholarly inspirations behind James s fiction provides considerable insight into a

formative moment in medieval studies as well as into James's methods as a master stylist of understated horror. During his life, James often claimed that his stories were mere entertainments, pleasing distractions from a life largely defined by academic discipline and restraint, and readers over the years have been content to take him at his word. This intriguing volume, however, convincingly proves otherwise.

The Accountant's Magazine, 1901 Norfolk and Western Magazine, 1952 *New Statesman and Nation*, 1983-10 Hawkeseye Diana Bonakis Webster, 1991 **The A & C Black Colour Books** Colin Inman, 1990 **Under Review** Anthony Powell, 1991 *The History of British Art: The history of British art, 600-1600* David Bindman, Tim Ayers, 2008. Includes history and illustrations of architecture, sculpture, paintings, medieval manuscripts, and books, wall murals, and frescoes. **The Catholic Periodical and Literature Index**, 1986 *Twentieth-century British Book Collectors and Bibliographers* William Baker, Kenneth Womack, 1999 **Critical Survey of Short Fiction**, 2001
