Moving the Maasai L. Hughes, 2006-01-10 This is the scandalous story of how the Maasai people of Kenya lost the best part of their land to the British in the 1900s Drawing upon unique oral testimony and extensive archival research Hughes describes the intrigues surrounding two enforced moves and the 1913 lawsuit while explaining why recent events have brought the story full circle

Unsettling Whiteness Lucy Michael, Samantha Schulz, 2019-01-04 This volume was first published by Inter Disciplinary Press in 2014 Unsettling Whiteness brings together an international collection that considers anew the politics practices and representations of whiteness at a time when nations worldwide continue to grapple with issues that are underwritten by whiteness

When the Light Is Fire Heather D. Switzer, 2018-09-20 A host of international organizations promotes the belief that education will empower Kenya's Maasai girls Yet the ideas that animate their campaigns often arise from presumptions that reduce the girls themselves to helpless victims of gender related forms of oppression Heather D Switzer's interviews with over one hundred Kenyan Maasai schoolgirls challenge the widespread view of education as a silver bullet solution to global poverty In their own voices the girls offer incisive insights into their commitments aspirations and desires Switzer weaves this ethnographic material into an astute analysis of historical literature education and development documents and theoretical literature Maasai schoolgirls express a particular knowledge about themselves and provocative hopes for their futures Yet as Switzer shows new opportunities force them to face and navigate new vulnerabilities and insecurities within a society that is itself in flux
