Earle Rice

Macarthur Douglas:

Douglas MacArthur Janet Benge, Geoff Benge, 2005 Under siege on the island of Corregidor General Douglas MacArthur received a warning from the enemy You are well aware that you are doomed the Japanese general wrote The end is near The question is how long you will be able to resist You are advised to surrender Of course there was no way Douglas was going to surrender Whether masterminding battle strategies or guiding the peace process among war torn nations 5 Star general MacArthur faced challenges with unwavering courage resolve The general began his honored army career by leading his fellow cadets at West Point and ultimately commanded all U S forces in Asia Remembered especially for directing the fight against Japanese expansion during WWII and later governing the defeated Japanese people with grace and wisdom General MacArthur won the respect of millions both allies and enemies Amazon com *Douglas MacArthur* Earle Rice, 2009

General Douglas MacArthur's Address to the Congress, April 19, 1951 Douglas MacArthur, 2012-03 *Frontline General: Douglas MacArthur* Jules Archer, 2017-01-10 At twenty six Douglas MacArthur was military aide to President Theodore Roosevelt and his courageous leadership of the Rainbow Division in World War I made him a general At the same time his reluctance to heed any authority but his own gained him a reputation of arrogance and insubordination that was to shadow his entire career As MacArthur helped guide defeated Japan to democracy it was remarked that he himself tolerated no democratic questioning of his commands When he was summoned from Japan to take command of the desperately beleaguered forces in Korea the conflict between duty and pride brought his career to a dramatic conclusion With brilliant generalship he saved his army from defeat only to be removed from his post when he refused to obey the president himself Douglas MacArthur s deeds were of heroic proportion but he is and will continue to be one of America s most controversial figures *Douglas MacArthur* Brenda Haugen, 2005-07 A biography of the famous general Douglas MacArthur *The Untold Story of Douglas MacArthur* Frazier Hunt, 2018-12-02 Frazier Hunt s friendship with Douglas MacArthur began on the battlefields of France during World War I The young general not quite six years the author s senior had already caught the allure of Pacific destiny by the time that Hunt made his first long trip to the Orient Japan Siberia China the Philippines Australia Southeast Asia India Both Hunt and MacArthur from their separate viewpoints early foresaw that America s destiny lay in the Pacific Hunt had the unique experience of covering for newspapers and magazines every war and revolution Following four months at General MacArthur s headquarters in New Guinea in 1944 he wrote MacArthur and the War Against Japan The Untold Story of Douglas MacArthur was his fourteenth and final book A fitting monument to an outstanding reporter Warmly written argumentative greatly detailed yet fast moving It is a racing readable book New York Times Book Review This is a most unusual book with its power and sweep and fierce passion for the truth It is a book that every American should be interested in the full length story of the boy the man the General The Army Navy Air Force Register An important contribution to the history of the times San Francisco Call Bulletin A thrilling biography Frazier Hunt

 MacArthur, David Lawrence, George C. Kenney, 2011-04 **American Caesar** William Manchester, 2008-05-12 The
 bestselling classic that indelibly captures the life and times of one of the most brilliant and controversial military figures of
 the twentieth century Electric Tense with the feeling that this is the authentic MacArthur Splendid reading New York Times
 Inspiring outrageous A thundering paradox of a man Douglas MacArthur one of only five men in history to have achieved the
 rank of General of the United States Army He served in World Wars I II and the Korean War and is famous for stating that in
 war there is no substitute for victory American Caesar examines the exemplary army career the stunning successes and
 lapses on the battlefield and the turbulent private life of the soldier hero whose mystery and appeal created a uniquely
 American legend **General Douglas MacArthur, 1880-1964** Eugene L. Rasor, 1994-04-30 General of the Army Douglas
 MacArthur was an extraordinary military leader and one of the most controversial figures in American history An enormous
 amount of literature has accumulated about his career which spanned most of the 20th century General MacArthur is the
 subject of this first comprehensive assessment and survey of all of the writings by and about him Publication coincides and
 reflects the formal commemoration of the 50th anniversary of World War II A short biographical essay and chronology set the
 stage for the historiographical critique which is organized topically and into different time periods This extensive
 historiographical narrative is cross referenced to the annotated bibliography of 759 published and unpublished sources both
 academic and popular including film and fiction Author and subject indexes complete the volume This guide to the literature
 on MacArthur describes archival collections and research facilities points to conflicting interpretations about the role of
 General MacArthur as Chief of Staff of the Army in World War II in the occupation of Japan in the Korean War and in the
 sensational recall from his position as Far Eastern Commander in 1951 and suggests areas for further research The
 historiographical narrative and annotated bibliography cover the career of the general from his earliest years to his death in
 1964 This easy to use research tool is designed for students scholars and readers at all levels for use by all those concerned
 with recent U S and world history and for special commemorations of World War II **Douglas MacArthur** Arthur
 Herman, 2016-06-14 A new definitive life of an American icon the visionary general who led American forces through three
 wars and foresaw his nation's great geopolitical shift toward the Pacific Rim from the Pulitzer Prize finalist and bestselling
 author of Gandhi Churchill Douglas MacArthur was arguably the last American public figure to be worshipped unreservedly
 as a national hero the last military figure to conjure up the romantic stirrings once evoked by George Armstrong Custer and
 Robert E Lee But he was also one of America's most divisive figures a man whose entire career was steeped in controversy

Was he an avatar or an anachronism a brilliant strategist or a vainglorious mountebank Drawing on a wealth of new sources Arthur Herman delivers a powerhouse biography that peels back the layers of myth both good and bad and exposes the marrow of the man beneath MacArthur s life spans the emergence of the United States Army as a global fighting force Its history is to a great degree his story The son of a Civil War hero he led American troops in three monumental conflicts World War I World War II and the Korean War Born four years after Little Bighorn he died just as American forces began deploying in Vietnam Herman s magisterial book spans the full arc of MacArthur s journey from his elevation to major general at thirty eight through his tenure as superintendent of West Point field marshal of the Philippines supreme ruler of postwar Japan and beyond More than any previous biographer Herman shows how MacArthur s strategic vision helped shape several decades of U S foreign policy Alone among his peers he foresaw the shift away from Europe becoming the prophet of America s destiny in the Pacific Rim Here too is a vivid portrait of a man whose grandiose vision of his own destiny won him enemies as well as acolytes MacArthur was one of the first military heroes to cultivate his own public persona the swashbuckling commander outfitted with Ray Ban sunglasses riding crop and corncob pipe Repeatedly spared from being killed in battle his soldiers nicknamed him Bullet Proof he had a strong sense of divine mission Mac was a man possessed in the words of one of his contemporaries of a supreme and almost mystical faith that he could not fail Yet when he did it was on an epic scale His willingness to defy both civilian and military authority was Herman shows a lifelong trait and it would become his undoing Tellingly MacArthur once observed Sometimes it is the order one disobeys that makes one famous To capture the life of such an outsize figure in one volume is no small achievement With Douglas MacArthur Arthur Herman has set a new standard for untangling the legacy of this American legend Praise for Douglas MacArthur This is revisionist history at its best and hopefully will reopen a debate about the judgment of history and MacArthur s place in history New York Journal of Books Unfailingly evocative close to an epic More than a biography it is a tale of a time in the past almost impossible to contemplate today as having taken place with MacArthur himself as a figure perhaps too remote to understand but all the more important to encounter The New Criterion With Douglas MacArthur American Warrior the prolific and talented historian Arthur Herman has delivered an expertly rendered compulsively readable account that does full justice to MacArthur s monumental achievements without slighting his equally monumental flaws Commentary **Reminiscences** Douglas MacArthur, 2012-04-15 Written in his own hand and finished only weeks before his death Gen Douglas MacArthur s memoir spans more than half a century of modern history His vantage point at center stage during major controversies of the twentieth century enabled him to present unique views of the conflicts in which he played a vital role No soldier in modern time has been more admired or reviled Liberator of the Philippines shogun of Occupied Japan victor of the Battle of Inchon the general was a national hero when suddenly relieved of his command by President Truman His supporters believe his genius for command and ability to implement that command by strategy stand as landmarks in military history His critics are

not so kind calling him a gigantic ego paying homage to himself in this book Decade by decade battlefield by battlefield this self portrait is a moving final testament to a life of service that began at West Point and continued in Vera Cruz during the Mexican uprisings and throughout the world wars Appointed Supreme Commander of Allied Forces in the Pacific MacArthur was the architect of the campaign to drive the Japanese from their strongholds at Bataan Corregidor and New Guinea His recounting of World War II is dramatically punctuated with intimate portraits of key personalities and insights into his stand on controversial issues Although the autobiography was written more than thirty years ago it continues to be a valuable document of the period

Douglas MacArthur Stephanie Sammartino McPherson, 2004-12-01 Examines the life and career of Douglas MacArthur including his childhood education and military experience

Duty, Honor, Country Douglas MacArthur, 2018-12-01 The present volume first published in 1962 consists of two distinguished speeches given by the General of the U S Army Douglas MacArthur The first address took place on April 19 1951 and was held before a joint meeting of the two houses of United States Congress the House of Representatives and the Senate and took place in the Hall of the House of Representatives This meeting followed on just one week from MacArthur s removal from command by President Harry S Truman The second address was held on May 12 1921 and was given to The Members of the Association of Graduates U S M A The Corps of Cadets and Distinguished Guests It was given on the occasion of MacArthur s acceptance of the Sylvanus Thayer Award for outstanding service to the nation which had gone to Eisenhower the year before The event was held at the United States Military Academy in West Point New York

Old Soldiers Never Die Geoffrey Perret, 1996 To his admirers Douglas MacArthur was the greatest soldier in American history to his critics he was a five star fraud Always colorful always controversial MacArthur is one of the dominant characters in American military history With unprecedented access to official military records reports correspondence and diaries Geoffrey Perret s biography provides for the first time a complete and accurate account of MacArthur s tumultuous career including The Pershing MacArthur feud that cost MacArthur the Medal of Honor President Truman s secret plan to fire MacArthur two years before the Korean War MacArthur s brilliant planning for the landing at Inchon His failed Presidential ambitions Unmatched in its candor authority and insight this landmark biography charts the brilliant if flawed career of a unique American character

MacArthur Mitchell Yockelson, 2011-04-19 When Douglas MacArthur addressed Congress in 1951 with his Old Soldiers Never Die speech he was the most popular man in America During a military career that spanned fifty two years and included service in three major wars MacArthur was adored by the public and the soldiers who served under his command on the battlefields of the Western Front the Pacific Theater and Korea Mitchell Yockelson s MacArthur Defiant Soldier takes a fresh look at this fascinating and influential leader Living in the shadow of his famous father Arthur MacArthur Douglas set forth on a path to achieve greatness as a gentleman scholar and hero Such aspirations earned him more than one hundred military decorations including the Medal of Honor His life was not without flaws however and this intimate biography critically examines

controversies such as MacArthur's response to the Bonus Marchers in 1932 and his outspoken criticism of President Truman that led to his dismissal from the Army he so dearly loved Douglas MacArthur was a national icon and this book is a fitting tribute **General of the Army Douglas MacArthur's Address to Congress, April 19, 1951, Washington, D. C.; with Highlights of His Career** Douglas MacArthur, 1951 *General MacArthur Wisdom and Visions*, 2001-06-15 MacArthur's supremacy as a true conversationalist is readily documented This work on the wisdom and sayings of MacArthur is presented as a new classicist document in that almost every item listed came from the mouth of General MacArthur and from his writings He wrote almost all of his own speeches with eloquence in all of them These speeches stand out as note worthy because they were made immediately after periods of great historical significance In these speeches he seemed to be speaking strictly from his heart Regardless of the individual's attitude toward politics religion military or civilian service his words sound spiritual and practical **General of the Army Douglas MacArthur, January 26, 1880-April 5, 1964** Douglas MacArthur, 1964 **The Biography of General of the Army, Douglas MacArthur** Sydney L. Mayer, 1981 The Emperor General Norman H. Finkelstein, 1989 Covers the life and career of the U S Army five star general from his early life in various military outposts to a career in two World Wars

Macarthur Douglas Introduction

In today's digital age, the availability of Macarthur Douglas books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Macarthur Douglas books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Macarthur Douglas books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Macarthur Douglas versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Macarthur Douglas books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Macarthur Douglas books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Macarthur Douglas books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free

access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Macarthur Douglas books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Macarthur Douglas books and manuals for download and embark on your journey of knowledge?
