The Nobel Lecture In Literature, 1993 Toni Morrison, 2009-01-16 Toni Morrison winner of the 1993 Nobel Prize in Literature reads the speech she delivered in Stockholm Sweden at the Nobel Prize Award Ceremony Mouth Full of Blood Toni Morrison, 2019-02-21 She was our conscience Our seer Our truth teller She was a magician with language who understood the power of words Oprah Winfrey A vital non fiction collection from one of the most celebrated and revered American writers Spanning four decades these essays speeches and meditations interrogate the world around us They are concerned with race gender and globalisation The sweep of American history and the current state of politics The duty of the press and the role of the artist Throughout Mouth Full of Blood our search for truth moral integrity and expertise is met by Toni Morrison with controlled anger elegance and literary excellence The collection is structured in three parts and these are heart stoppingly introduced by a prayer for the dead of 9 11 a meditation on Martin Luther King and a eulogy for James Baldwin Morrison s Nobel lecture on the power of language is accompanied by lectures to Amnesty International and the Newspaper Association of America She speaks to graduating students and visitors to both the Louvre and America s Black Holocaust Museum She revisits The Bluest Eye Sula and Beloved reassessing the novels that have become touchstones for generations of readers Mouth Full of Blood is a powerful erudite and essential gathering of ideas that speaks to us all It celebrates Morrison s extraordinary contribution to the literary world **Lecture and Speech of Acceptance, Upon the Award of the Nobel Prize for Literature, Delivered in Stockholm on the Seventh of December, Nineteen Hundred and Ninety-three** Toni Morrison, 1994 Toni Morrison s speech given at the Nobel Prize ceremony in Stockholm in December 1993 is a profound meditation on language and our responsibility towards it She weaves her thoughts around a folk tale which compares language with a fragile bird a living being which can be paralysed or deadened by misuse She attacks the obscuring language of the state the vacuous soundbite language of the media the rigid limiting language of academia and science It is an inspiring and bold statement moving allusive and powerful **Finding Philosophers in Global Fiction** Anway Mukhopadhyay, Saptarshi Mallick, Debashree Dattaray, 2024-09-05 A cross cultural study that explores and redefines what philosophy philosophizing and philosophers are through the lens of literature The academic discipline of philosophy may tell us too rigidly what a philosopher is or should be but fictional narration often upholds the core conundrums of humankind in which philosophy germinates This collection of essays explores whether a study of philosophers at a planetary scale or at least on a broad cross cultural spectrum can decouple philosophy from its academic aspect and lend it a more inclusive domain Contributors to this volume play with three conceptual poles making them interact with each other and get modified through this interaction fiction narrative and philosopher How do these three terms get semantically modified and broadened in scope when we speak of the figures of philosophers in imaginative writing How do these terms assume different connotations in different cultural contexts interacting with the multiplicity of not just thought but also the media and tools of

thought Do we always think only rationally Or do we also think with and through emotively powerful images symbols and tropes In the end Finding Philosophers in Global Fiction insists on the need to de elitize and democratize the concept of a philosopher by reflecting on the possibility of seeing a philosopher as one who sees things clearly from any vantage point

Toni Morrison Jill L. Matus,1998-09-15 This is an illuminating and original introduction to Toni Morrison s fiction focusing on its engagement with African American history and the way the traumas of the collective past shape Morrison s work Jill Matus approaches Morrison s fiction as a form of cultural memory concerned with obscured or erased history She argues that Morrison sees African American history from the times of slavery to the continued racial oppressions of the twentieth century as a history of traumatic experience and explores how this powerful storyteller bears witness to a painful yet richly enlivening past Morrison s novels are known for their great lyric power but they often dwell on scenes of horror and Matus emphasizes the uneasy relations of memory pain and pleasure in literature In doing so she sheds new light on Morrison as a contemporary writer working at a time when literature is being urgently explored for its capacity to memorialize and testify Direct and accessible this critical study highlights the political and historical contexts of Morrison s work offers close readings of each of the novels and concludes with a critical overview of the field of Morrison studies
