## **Nobody Loves A Ginger Baby:**

*Nobody Loves a Ginger Baby* Laura Marney, 2011-02-28 Everybody's on anti-depressants. They're all suffering from Post Romantic Stress Disorder. Not being happy all the time makes them unhappy and stressed. Nowadays not being happy is deeply unfashionable and therefore quite intolerable and so everybody's secretly on the happy pills. Bertha chucks Donnie who goes out with Daphne and begs her not to chuck him but then he chucks her and returns to Bertha who inevitably chucks him again. Carol has uninhibited sex which ends with her panty liner stuck to the bottom of someone's shoe. Donnie after a mystery bite in a Third World country thinks he's incubating a nest of spiders up his bum. Daphne gets fat. She makes soup all the time and wonders if Woolworths sell a hosepipe to fit a Vauxhall Vectra. Pierce is a fat balding womaniser whose only steady relationship is with a cup at the sperm bank. He's the only one not on anti-depressants and he's the hero. But it's not all sniffles and tears. After a few undignified deaths and some life-affirming events it all ends cheerily enough with Pierce saving the day and everybody taking a metaphorical shake to themselves. **For Faughie's Sake** Laura Marney, 2014-03-15 In the sequel to Laura Marney's bestseller *No Wonder I Take a Drink* we find Trixie a boozy unsentimental loner desperate to escape Inverfaughie the small Highland village she's relocated to. When Hollywood visits the introspective community to make a movie about the Highland Clearances local conflicts are quick to follow. An ancient document is unearthed which authenticates Faughie's independence from Scotland and Great Britain meaning a referendum is on the cards and Trixie will have to decide where her loyalties lie. *For Faughie's Sake* takes a sideways approach to politics and community and the absurd propaganda and partisan Machiavellian intrigue that often goes with them. It's a light-hearted sometimes gleeful celebration of contemporary Scottish life. **Only Strange People Go to Church** Laura Marney, 2012-03-08 Divine comedy a joyous celebration of human imperfection. Louise Welsh. By the author of *No Wonder I Take a Drink* voted one of the Top 20 Scottish books of all time. Maria's job is to support Blue Group an unruly crew of service users. But she might just have bitten off more than she can chew when she suggests they put on a large scale community show. The venue for the show is to be Ray's workshop a deconsecrated church where she's constantly distracted by local oddballs and Dezzie her handsome colleague. Maria soon faces moral dilemmas that would curl a bishop's hair. If she does the right thing she'll wreck careers and break hearts but what's the right thing anyway? Who decides who's allowed to love who? And can Ray even be trusted. *My Best Friend Has Issues* Laura Marney, 2012-03-08 What did I know about life a wee heifer like me a twenty-two year old no mates stay at home from the rump end of Cumbernauld. What did I even know about sex never mind drugs or violence or murder. Alison a naive Scottish girl moves to Barcelona and meets Chloe a foxy American heiress. Chloe as well as introducing Alison to a multitude of sins teaches her new friend about the sweet taste of revenge. They soon embark on a sex and drugs romp through the gothic streets of Barcelona while composing vengeful postcards home. Dear Lisa and Lauren. Enjoying sangria on La Rambla. Don't know if you'd like it here. The hot weather would be a nightmare for your athlete's foot and intimate itching.
