Nobody Said It Would Be Easy:

Kahani Unplugged Srashti Behure, Shaurya Sharma, Geetmalini Sahu, Plato has rightly said Music is a moral law It gives soul to the universe wings to the mind flight to the imagination and charm and gaiety to life and to everything Music has been a part of our lives ever since we entered this world In the morning we wake up to the birds chirping and the leaves rustling it s much like music to our ears Music is everywhere and all we have to do is open up our senses to it Ever wondered what makes music so special Music is more or less an integral part of everyone s life We hear music all the time While going to school while having coffee while sweating it out in the gym and sometimes for a sound sleep Even long journeys are quite bearable with music People tend to listen to music that fits their emotions and purges them Unplugged is a wonderful collection of musical soul stirring write ups Writers have put their heart and soul while expressing their views on songs that are close to their heart Because some songs are not just songs they are memories Compiled by Srashti Behure Shaurya Sharma and Geetmalini Sahu Unplugged is a collection of write ups filled with emotions It is sure to imbibe within you an exotic mellifluous feel This book is a must read for all music lovers
